QS Graduate Employability Rankings, 2018

No. 1 facilities in the world and top 3 Australian university for learning English
English Language Barometer, 2016
TRANSFORMING YOUR FUTURE

As one of the most highly ranked universities in Australia and the world, we give you unparalleled study experiences, practical learning opportunities, life and career support and access to global innovations and innovators.
Learn practical skills
Each UQ faculty offers work-integrated learning, internships, placements and networking opportunities.

Business, Economics and Law: take part in an international Community Engagement program, career success program, student work experience program, and talks from leaders in their fields.

Engineering, Architecture and IT: the MEET a Mentor program sees third and fourth year engineering and IT undergraduates working one-on-one with managers from 80 companies.

Health and Behavioural Sciences: eight clinics providing healthcare, rehabilitation and nutrition services to the general public expose our students to the latest in equipment, tools and care.

Humanities and Social Sciences: internships, field trips and placements in Brisbane, interstate and overseas are part of course credit for arts and communication students.

Science: our staff have worked with industry partners including the peak industry councils for cotton, fisheries, horticulture and forestry, as well as Rio Tinto and BHP Billiton.

Study what you want, when you want
Improve your career opportunities and broaden your skills and knowledge by undertaking a dual degree. You can choose from more than 50.

Our Concurrent Diplomas of Music and Languages allow you to pursue your interest in music and languages for a qualification, alongside your main degree.

Our libraries feature computers for students, 24-hour study rooms, energy pods to recharge your sences, quiet areas, and friendly staff.

Turn an idea into a business
The UQ Idea Hub at St Lucia campus lets you transform your business ideas into commercial reality. You have access to alumni and industry representative mentors, and the opportunity to intern at technology startups overseas.

Accommodation
Live in a college at UQ St Lucia or Gatton, head inner city for off-campus student accommodation, or find your own home in the private housing market. Wherever you decide to live, our UQ Accommodation Services team can help you find your new home. The team can give you advice, check documentation for you, and direct you to useful material online. If it’s your first time to Brisbane we will also collect you from Brisbane’s domestic or international airport. Just make sure you book three days in advance.

You can apply for our Guaranteed Accommodation program to secure your accommodation before you arrive in Brisbane.

Prepare for an exciting career
The free UQ Employability Award gives you the chance to build skills that future employers value like leadership, teamwork, communication, problem solving and cultural awareness.

Our award-winning UQ Career Services team offer workshops on finding employment, networking, writing a resume, excelling in interviews, applying for a job and presenting.

Our free online course EMPLOY101x will help you market yourself to employers.

Make friends
Join one of our 200 clubs and societies. From anime to yoga, medievalism to touch rugby, and hockey to dancing, you are certain to find like-minded people.

Care for yourself
Our UQ Sport venues include a cardio and weights gym, 25-metre and 50-metre pools, an Olympic-standard athletics track, 21 floodlit tennis courts, netball courts and much more.

UQ offers loads of mentoring opportunities for you to get connected, get involved and have fun! As a new student transitioning to uni life we recommend you check out the O’ to 4 mentoring program to help you navigate your first 5 weeks at UQ. For more information on all of the mentoring opportunities available visit the website.

We have advisors specifically for international students to help you overcome some of the challenges of studying in a foreign country.

Stay safe: each campus has a security team. St Lucia and Gatton are monitored 24-hours, seven days a week. St Lucia also offers a UniSafe in-person security escort and a Safety Bus.
AN ENVIRONMENTAL STUDY LOCATION

We offer one of the best campus experiences in the world in a location renowned for its relaxed and safe lifestyle, subtropical climate and unique architecture.

W: future-students.uq.edu.au/campuses

UQ St Lucia
Surrounded by the Brisbane River and only seven kilometres from Brisbane’s city centre, our main St Lucia campus is widely regarded as one of the most beautiful university campuses in the world. Travel to the campus in style by ferry (CityCat), catch the bus, ride your bike or drive.

UQ Gatton
Around 90 kilometres west of Brisbane, Gatton offers the latest in agricultural and animal facilities in a large and relaxed rural setting. Agriculture and Food Science, Veterinary Science, and Veterinary Technology students enjoy first-class sporting facilities, can live on campus, and have access to a community garden where they can grow herbs and vegetables. The campus is accessible by a free intercampus bus service from St Lucia, bus, a rail-bus service or by car.

UQ Herston
Only three kilometres from the CBD, Herston, a world-class medical research hub, is home to our Medicine and Public Health schools, and the Oral Health Centre. The campus is located in the heart of Brisbane’s health precinct alongside a major hospital and the QIMR Berghofer Medical Research Institute. It can be easily accessed by bus, train, bike or car.

Other sites
We have eight other teaching sites throughout Queensland, including a professional business school centre in Brisbane’s city centre, breathtaking marine centres on Heron Island and Stradbroke Island, and the Pharmacy Australia Centre of Excellence, a world-class facility for pharmaceutical research, education and commercialisation at Woolloongabba.

Brisbane
Brisbane is the capital city of Queensland and its economic engine room. Young and progressive, the city is fast becoming a hub in the Asia Pacific for business, investment, major events and education. It is also home to over 200 nationalities and 220 languages. Sydney, Cairns and Melbourne are all short flights away.
At UQ you’ll learn from outstanding teachers, access ground-breaking research and state-of-the-art facilities, and make invaluable contacts and lifelong friends.

Follow the steps below to apply, and open the door to your future.

1. Choose your program
   - Choose the program you want to study at future-students.uq.edu.au
   - Check you meet the entry requirements for your program (see the ‘2019 Program Prerequisites and Entry Scores’ table on pages 8-9).
   - If you didn’t study in Queensland, check you have studied subjects equivalent to your program’s prerequisite subjects (see the ‘Prerequisite Subject Equivalents’ table on page 10).

2. Apply for your program
   - Apply for your program through the Queensland Tertiary Admissions Centre (QTAC). QTAC allows you to list up to six UQ programs in order of preference (with the program you most want to study first). Apply at qtac.edu.au.

3. Receive your conditional offer
   - UQ will issue a Conditional Offer listing each UQ program you applied for with the required OP/rank, and any subject prerequisites and/or other conditions, for each.

4. Accept your offer
   - Once you receive your Year 12 results, check your UQ Offer to see whether you meet all the requirements for your chosen programs. If you do, complete the Acceptance document (indicating the one program you wish to accept), and return the form to UQ along with your Payment Details Form for payment of the deposit and OSHC.

For students under 18 years of age

The University of Queensland (Student Services) offers a supervision program which approves the accommodation, support and general welfare of international students under 18 years of age.

Applicants under the age of 18 will be identified in the admission process and an offer of admission will be conditional on the applicant submitting a completed International Student Supervision registration form signed by the applicant and their parent/legal custodian.

If the University accepts responsibility for accommodation and welfare arrangements, a Confirmation of Appropriate Accommodation and Welfare (CAAW) alongside a Confirmation of Enrolment (CoE) letter will be issued, so applicants can then apply for a student visa.

** For dual degree programs, the score required is the higher of the two programs. Students must also meet all subject prerequisites for both programs. 
*** Note for B Dental Science: not all applicants on OP 1/Rank 99 or equivalent ATAR or GPA gained entry. UMAT scores were used as a secondary differentiator and the lowest UMAT Subject aggregate offered was 175/63 (January offer round). 
\ Note for B Education (Primary and Secondary) and B Health, Sport and Physical Education (Honours): applicants are also required to submit a statement regarding their non-academic abilities. 
\ Note for BM: Music selection is based on audition, interview and academic results. OP/Rank cut-offs do not apply. 
\ A graduate entry master’s program leading to the same professional qualification is also available. 

NOTES:

Prerequisites: All prerequisites are at Year 12 level with at least a Sound Achievement over four semesters.

* International Baccalaureate Diploma

† OP is a guide only. Students will be assessed for entry into their program using the UQ International Admissions for advice.

\ Combinations of Mathematics A, B or C may be considered. Please contact UQ International Admissions for advice.

* These programs have quota restrictions and entry is very competitive: the figures quoted are a guide only and applications will be assessed on a case-by-case basis.

** For dual degree programs, the score required is the higher of the two programs. Students must also meet all subject prerequisites for both programs.

*** Note for B Dental Science: not all applicants on OP 1/Rank 99 or equivalent ATAR or GPA gained entry. UMAT scores were used as a secondary differentiator and the lowest UMAT Subject aggregate offered was 175/63 (January offer round).

\ Note for B Education (Primary and Secondary) and B Health, Sport and Physical Education (Honours): applicants are also required to submit a statement regarding their non-academic abilities.

\ Note for BM: Music selection is based on audition, interview and academic results. OP/Rank cut-offs do not apply.

\ A graduate entry master’s program leading to the same professional qualification is also available.

---

This list is not exhaustive; please contact UQ International Admissions at applicationstatus@uq.edu.au to confirm subject equivalents for subjects that do not appear in the table above.

*Includes external senior subjects.

**ESL may require a higher grade to meet English proficiency for some programs.

*International Baccalaureate

---

### International Baccalaureate (IB) students

#### Credit and exemption

Depending on your IB grades, you may be eligible for up to 8 units of specified or unspecified credit (units towards the completion of a UQ program of study) for selected bachelor-level courses. Exemptions are also available for some IB subjects. Credit and/or exemption may be granted for studies in English, Music, Psychology, Mathematics, Biology, Chemistry, Computer Science and Economics. In the majority of cases, only IB subjects taken at the Higher Level (HL) will be considered for the award of credit and/or exemption.

- **Specified credit** means that you do not have to undertake the specific course for which the credit is granted.
- **Unspecified credit** means that you are awarded credit towards an introductory-level UQ course, but the credit is not awarded for a specific UQ course.
- **Exemption** means you are not required to undertake a particular course. Exemption does not earn units towards a degree, but it allows you to progress more quickly into advanced level studies without having to undertake prerequisite courses at the introductory level.

You can apply for credit and/or exemption only once you have accepted an offer and enrolled at UQ. For information on the minimum grades needed to obtain credit and to download an application form, go to: future-students.uq.edu.au/credit-international-baccalaureate-ib-study

#### Predicted grades

UQ accepts predicted IB scores from a number of schools for entry into some of our programs. To enquire about your school's eligibility, please contact: yrl2international@uq.edu.au
Insufficient entry score?

Alternative entry
If you did not complete Year 12, or you did not achieve a high enough entry score for your preferred program, you may be eligible for alternative entry pathways to UQ. Contact UQ International Admissions for advice.
applicationstatus@uq.edu.au

Improving an entry score (upgrading)
If you are not offered a place in your preferred program, you can accept an offer in a less competitive program with fewer prerequisites and try to improve your entry score. This is called upgrading. To upgrade to a higher demand program (such as dentistry or veterinary science) we recommend that you complete one full year (16 units) of bachelor degree study. For more information on how to improve your entry score, contact UQ International Admissions.
applicationstatus@uq.edu.au

UQ Bonus Rank Scheme
UQ’s Bonus Rank Scheme provides up to five adjustment factors (previously known as bonus points) (not OP) towards your entry rank if you have passed an approved language other than English (LOTE) or Queensland Senior Mathematics C (or equivalent), or if you have successfully completed a university-level enrichment program, such as UQ’s Enhanced Studies Program, concurrently with your senior studies. This scheme is open to all students currently completing Year 12 in Australia (including International Baccalaureate). For more information, contact UQ International Admissions.
applicationstatus@uq.edu.au

Credit for previous study
You may be eligible for credit towards your UQ program if you have undertaken previous studies, including some International Baccalaureate subjects. Once you have been offered a place in a UQ program, please forward a request for credit to the relevant faculty.

Suspensions, deferrals and cancellations
If you wish to defer (i.e. delay commencing to a future semester), please contact the International Admissions office as soon as possible. If you have received your UQ CoE, a deferral will only be permitted if there are ‘compassionate or compelling grounds’. If a deferral is not approved, you may still delay commencing, but your CoE will be cancelled. This may impact your student visa or student visa application. The University can suspend or cancel your enrolment for a number of reasons including misbehaviour, poor academic standing and unsatisfactory academic progress. Please note that any deferrals, suspensions or cancellations may affect a student visa or visa application.

Your scholarship options
UQ’s Academic Scholarship Program supports the continued achievements of outstanding school leavers. If you are a high-achieving student and are completing Year 12 in 2018 (or you completed Year 12 in 2017 and are on a gap year), you are encouraged to apply. Several scholarships also provide financial assistance for specific areas of study.
