This publication was produced in April 2018 by The University of Queensland’s Office of Marketing and Communications, and UQ International.
As a Study Abroad or Incoming Exchange student at The University of Queensland (UQ), you will enjoy exceptional opportunities to develop the skills and knowledge you need to transform your world.

Consistently ranked among the world’s top universities, UQ offers inspiring teaching across more than 4000 courses, world-class indoor and outdoor learning environments, and outstanding facilities.

The University is located in a region renowned for its subtropical climate and pleasant lifestyle and is close to natural attractions including beaches and rainforests. Some of our most popular courses include Great Barrier Reef field trips, geological mapping in the remote outback, or observing native fauna in the wild.

UQ offers extensive academic and personal support to help you make the most of your time here, and a great mix of extracurricular activities such as sport, live performances, exhibitions, and a choice of more than 200 student clubs and societies.

Whatever you choose, your UQ experience will help shape you into a well-rounded global citizen able to inspire change in others.

I look forward to welcoming you in 2019.

Professor Peter Høj
President and Vice-Chancellor
UQ’s Study Abroad and Incoming Exchange programs provide you with an exciting opportunity to gain an international perspective on your education at a leading Australian university with a top reputation for teaching and research.

As a student already enrolled at an accredited university outside Australia, the Study Abroad and Incoming Exchange programs allow you to explore your interests and talents through studying at UQ for one or two semesters.

If admitted to these programs, you are not awarded a degree from UQ – instead, you may be able to transfer credit for any studies you successfully complete here to your degree at your home institution.

You can choose from more than 4000 high-quality courses, with many offering theoretical or practical components unique to UQ. Many courses focus on Australian topics or offer field trips to unique locations in South East Queensland, while others promote group project work or research opportunities.

Studying at UQ as a Study Abroad or Incoming Exchange student is not only intellectually rewarding, it is also about personal development, meeting new people, and experiencing Australian culture first-hand.

The University provides you with a range of opportunities to participate in cultural, educational and recreational activities. You can also mix study with travel and take advantage of Brisbane’s location as a gateway to the many tourist destinations that make Queensland famous.

WHERE IS UQ?

The University of Queensland has three campuses in and around Brisbane, Australia, and more than 40 teaching and research sites around the state.

Sunny days and year-round temperate weather are a way of life in South East Queensland, and the local landscape features lush northern rainforests and golden surf beaches.
BRISBANE: A STUDY PARADISE

We offer one of the best campus experiences in the world in a city renowned for its relaxed and safe lifestyle, subtropical climate and unique architecture.
Brisbane named “8th most beautiful city in the world”
by Rough Guides 2017

+21–28°C average maximum temperature most days of the year

Brisbane’s population is 2.27 million people

BRISBANE
Brisbane, the home of UQ’s St Lucia and Herston campuses, is the capital city of Queensland and its economic engine-room. Young, progressive and multicultural, the city is fast becoming a hub in the Asia–Pacific for business, investment, major events and education. It is also home to over 200 nationalities and 220 languages.

Entertainment
Brisbane has a great live music scene in Fortitude Valley and West End. For comedy, live theatre and dance, head to the Brisbane Powerhouse and the Queensland Performing Arts Centre (QPAC). The Gallery of Modern Art (GOMA) is one of the best modern art galleries in the country, and keep an eye out for the Brisbane Writers Festival and the Brisbane Festival that attract international artists from across the globe.

Sport
Brisbane’s amazing weather and sporting facilities make physical activity a must. Kayak along the Brisbane River, climb to the top of the Kangaroo Point Cliffs, ride along more than 20 kilometres of riverside cycle paths, join a sporting club, or barrack like a local when you attend a rugby union, rugby league, cricket, ‘Aussie Rules’ or soccer match at one of our famous stadiums.

Getting around
One of the best views of Brisbane is from a CityCat – a ferry service that runs along the river from UQ’s St Lucia campus to the city and the riverside suburb of Hamilton. Brisbane also has an extensive bus and train network that makes it easy to get around. A go card will allow you to travel on all Brisbane public transport at discounted student prices.

Around Brisbane
When you want to head out of the city, there is plenty to discover. Go south for the famous golden sands of the Gold Coast and Byron Bay, north for the quiet beaches of the Sunshine Coast or the majestic Great Barrier Reef, west for ancient rainforests and charming outback towns or east for the spectacular Moreton Island, Stradbroke Island and Fraser Island. Sydney, Cairns and Melbourne are all short flights away. You will wish you had time for more holidays.

GATTON
UQ Gatton students enjoy a laid-back country lifestyle in a close-knit community. Gatton, the largest town in South East Queensland’s Lockyer Valley, is the home of the UQ Gatton campus. Bordered by unspoilt mountain ranges and located only 87 kilometres from Brisbane, Gatton has a culturally diverse population of approximately 7000 people.
Considered one of the most beautiful campuses in the world, our main campus is a vibrant mix of old sandstone buildings, modern architecture, parklands and lakes. It is a city within a city with everything you need to study, live and relax.

Food
St Lucia is full of cafe and food options. From great coffee and bakery food, to a make-your-own sandwich station, pizza, vegetarian food, noodles, bubble tea and juice bars, you won’t go hungry or thirsty. Options include organic and halal food.

Retail
You don’t need to leave the campus for your shopping. There is a Co-op bookshop, a shop where you can sell your secondhand books, banks, a hairdresser, a travel agent, a post office, newsagencies and a Wednesday market offering handicrafts, gifts and fashion. Grocery stores are only a short walk away.

Entertainment
Check out live music on campus at the Red Room. Grab a bite to eat close by at the Pizza Caffe before catching a theatre production at our Schonell Theatre. For some inspiration, head to our art, anthropology or antiquities museums.

Fitness
You can access UQ Sport venues all year round at discounted student prices. There is a cardio and weights gym, 25-metre and 50-metre pools, an Olympic-standard athletics track, 21 floodlit tennis courts, netball courts, hockey fields, cricket nets, several ovals where you can stretch your legs, and much more.

Library
We have ten libraries on campus. Each features computers for students, group rooms, 24-hour study rooms, quiet areas, plus friendly staff ready to help you with research, training, finding past exam papers, printing in 3D and details about the latest author talk, lecture or panel discussion in the library.

Healthcare
If you need to see a doctor or a dentist, head to our friendly staff at the UQ Health Service clinic. The pharmacy is close by, should you need any medicine.
UQ GATTON

Our rural campus is located near the town of Gatton, 87 kilometres west of downtown Brisbane. It offers a laid back and friendly lifestyle, world-class teaching and research facilities, farms, a community garden and sports facilities.

Food and retail
You can buy food and drinks from the Coffee Cart, Dining Hall and Walkway Café, and you can purchase and sell books at our retail bookshops. There is an on-campus ATM and a post office, and keep an eye out for the regular Walkway Markets attended by local growers and suppliers.

Green thumbs
Two campus farms house animals, horticultural fields, a plant nursery, post-harvest facilities, research laboratories, greenhouses, and plenty of machinery. Grow your own herbs and vegetables in the campus community garden.

Fitness
Gatton's gym has a weights room and offers fitness classes every week. You can go for a swim in the 25-metre pool or grab a friend and head to the squash courts, tennis courts, the indoor sports hall or one of three ovals.

Library
Gatton's two-level library features computers, 24-hour study spaces, a phone-friendly space, group rooms and adjustable workstations.

Free intercampus bus service
UQ provides a free intercampus bus service between UQ Gatton and UQ St Lucia for students and staff.

UQ HERSTON

This campus is located in the heart of Brisbane’s health district.

It is home to our Medicine and Public Health schools, the Queensland Institute of Medical Research, UQ’s Centre for Clinical Research and the Oral Health Centre.

Next door is the Royal Brisbane and Women’s Hospital and the QIMR Berghofer Medical Research Institute.

There is a bank on campus, ATMs, a gift shop, a pharmacy, a post office, newsagency, food stores and a bookshop.

Herston’s Health Sciences library features computers, group and individual rooms, 24-hour study spaces, a consultation room, and access to the Queensland Health network.
UQ STUDY OPTIONS

With more than 4000 courses on offer, you will have many options when studying at UQ.

On the next few pages are just some of the more popular choices for Study Abroad and Incoming Exchange students.

While UQ’s courses are administered by its faculties, Study Abroad and Incoming Exchange students are not restricted to taking courses in only one faculty.

FIND A UQ COURSE

STEP 1
Search

Go to my.uq.edu.au/programs-courses
Enter a search term in the search bar – you can search by course code or area of interest – and choose ‘Courses’ from the drop down menu on the right-hand side to explore available courses.

STEP 2
Click

Click on a course code or title
Check the level of the course (undergraduate or postgraduate), and which semester and campus it is offered: click on the semester for course description.
NOTE: Course information for 2019 will not be available until September/October 2018. Until that time select the most recent year to view the course description.

STEP 3
Check

Check course description page
Here you will find a short description of the course as well as a link to a detailed course profile: if the course is pre-approved for Study Abroad and Incoming Exchange students, there will be a note on the sidebar on the left stating this (if the course is not pre-approved, you must meet the prerequisites to apply). To access additional course information such as learning objectives, resources, activities and assessment, click on the most recent course profile link in red.

STEP 4
Refine

Refine your search
Go back to the search results page and, from the left navigation menu, select as many filters as you want: for example, refine your search to include only pre-approved courses for Study Abroad students and/or courses offered in a particular semester.
TIP: if you do a new search, you will have to refine it again.
EXPLORE QUEENSLAND – COURSES WITH FIELD TRIPS

Queensland is home to some of the most important natural sites in the world, and one of the best ways to discover these is to enrol in a UQ course with a field trip. Our breathtaking field trip destinations include rainforests, coral reefs, and mountain ranges.

D’Aguilar National Park
D’Aguilar National Park on the edge of Brisbane features beautiful subtropical rainforest and Walkabout Creek Wildlife Centre where you can see platypuses, wombats, spotted quolls, various rainforest birds, freshwater fishes, turtles, snakes, lizards, local wallabies and kangaroos.

As a Study Abroad or Incoming Exchange student you’re only here for a short time, so we want you to have an amazing time. To facilitate this, we anticipate your unique needs from arrival to departure and beyond.

**SETTLE IN**

**Getting started**
Smooth your transition to Brisbane and university life by attending one of our Getting Started sessions either when you arrive or during O-Week. Attendance is compulsory for all international students. In the session, you find out how to enrol, register for classes, get your student ID card and set up a bank account. We also tell you about what services and facilities are on campus, how to register for public transport student discounts, and what your best options are for getting to and from UQ.

[my.uq.edu.au/starting-at-uq](my.uq.edu.au/starting-at-uq)

**O-Week and your first weeks**
Make sure you are here for O-Week (Orientation Week), which is held one week before semester starts. It is a great introduction to life at UQ. We run special orientation sessions for Study Abroad and Incoming Exchange students that give you specific information and advice on issues such as enrolment, using the library, learning assistance, and living and travelling in Australia, so you hit the ground running.

**Safety on campus**
Our campuses are safe places for students and staff. St Lucia and Gatton campuses have 24-hour security teams. St Lucia also offers a UniSafe escort service if you would like someone to accompany you to public transport or your car, and a Safety Bus that runs from 6pm around the campus.

Download the free UQ SafeZone app, to connect directly with security officers or emergency services.

**MAKE FRIENDS**

**Join QUEST**
With hundreds of study abroad and exchange students joining each semester, the Queensland University Exchange Student Society (QUEST) is one of the most vibrant clubs on campus. Along with informal pub and movie nights, QUEST organises beach trips, surfing lessons, glow-worm viewing in a world-heritage-listed rainforest, as well as multi-day trips to Byron Bay, Girraween National Park and Moreton Island.

**Clubs and societies**
Are you up for expanding your social network and diving into a hobby or passion? Join one of our 200 clubs and societies. From anime to yoga, medievalism to touch rugby, and hockey to dancing, you are certain to find like-minded people. If you don’t, you can always start your own club.

**UQ Mates**
UQ Mates is the place to access the social scene through UQ’s free social network!
Meet new friends and connect with other students who share your interests through chat groups and on- and off-campus meet-ups. Whether you are into food, drinks, arts, culture, fitness, games or study – find your circle at UQ Mates.

**Academic workshops**
Gain new skills and prepare for exams by attending free workshops held by our Student Services team. There are workshops on writing assignments, improving your memory, thesis writing, presentation skills, time management, academic language and grammar, and more.

**Peer assisted study sessions**
Learn more about studying at UQ from second- and third-year students who have achieved top grades in your course. They can provide advice on coursework and content, and suggest effective study habits to help you make the most of your time. Ask your faculty for more information.

**English language support during your study**
Develop and refine the academic English language skills needed for Australian university study. Free English for Academic Communication (EAC) programs are offered by UQ-ICTE (Institute of Continuing and TESOL Education). A variety of courses are run at the beginning of each semester and are offered on a part-time basis. Check the website for more information.

COME BACK

Postgraduate study

After completing your undergraduate degree you can come back to UQ for your postgraduate studies, joining former UQ exchange student luminaries like Professor Bernard Degnan. Professor Degnan came to UQ from the University of Southern California in one of the first exchange cohorts. While here, he became enchanted with the Great Barrier Reef and returned to UQ to complete a PhD. Thirty years later, his work on eradicating the destructive Crown of Thorns starfish is set to revolutionise efforts to preserve the Great Barrier Reef.

SUPPORT

International student advisers

At Student Services we have advisers specifically for international students to help you overcome some of the challenges of studying in a foreign country. UQ Union’s Student Help On Campus team can help you with everything from finding part-time work and advice on extending your visa, to legal advice, dealing with financial pressures, and support and information around gender and sexuality. If you need to speak to someone in private, visit a UQ counsellor or discrimination officer for free.

Spiritual practice

The UQ Multi-faith Chaplaincy is an inclusive and welcoming space for students, staff and the community to share faith, traditions and spiritual practices. We have a number of chaplains on staff who provide pastoral care, support, spiritual conversations, learning and events.

Disability support

We offer ongoing support services for students with a disability, mental health or medical condition, illness or injury, including access to assistive technology, equipment, computer facilities, participation assistance, note-taking, alternative print formats, exam adjustments and liaising with your faculty so that you can equitably study.

“You will obtain a new perspective on culture, language skills, a unique education, responsibility, and willingness to learn new things. It’s completely different from a holiday, because you will experience your new location in the long-term, and have the opportunity to pick up local knowledge (e.g., where to buy the tastiest pastries, which tourist attractions to avoid, and how to navigate the hidden but picturesque streets). After all, you aren’t visiting – you’re living.”

ACCOMMODATION

We have accommodation options to suit your lifestyle and make you feel at home. Live in a college on one of the best campuses in the world, head inner city for off-campus student accommodation, or find your own home in the private housing market.

On-campus colleges
Do you want a traditional, immersive university experience? If you are studying at one of UQ’s Brisbane campuses you can live in one of our ten colleges at UQ St Lucia, or if you are studying at UQ Gatton, live at the Gatton Halls of Residence. You can walk to class, enjoy services like academic support and social and sporting activities, and your meals are provided. Plus, you will make friendships for a lifetime. Apply before you arrive to secure a room.
liveuq.edu.au

Off-campus student accommodation
Do you want to cook your own meals but still live in a student community in the inner city of Brisbane? Choose from one of our recommended student accommodation providers. A variety of studio and single-bedroom apartments are available as well as rooms in two- to six-bedroom units. You can pre-book a room before you arrive.
my.uq.edu.au/accommodation/approved-providers
Private housing
Are you the more independent type? You might like to share a house or apartment with other people. Brisbane’s rental market features everything from low-cost share houses to high-rise apartments, while Gatton’s rental market features a range of affordable share houses. To find a room, apartment or house, first check our database, UQ Rentals. There are also private rental accommodation websites and you can rent directly from real estate agents. At the start of a lease you typically pay two weeks rent in advance and a bond (which is four weeks rent). You should get the bond back at the end of your lease if you maintain the property well. Make sure you inspect a property in person before paying money or signing anything.

uqrentals.com.au

UQ Accommodation team
Our UQ Accommodation team can help you find your new home. If you are new to the housing market, attend one of their free information sessions two weeks before classes start. The team can also give you advice, check documentation for you, and direct you to useful material online.

Arrive around one month before classes start to get organised, arrange inspections and lodge your rental application. Make sure you arrange temporary accommodation for when you land, if necessary.
COST OF LIVING

Brisbane is an affordable city, offering a lower cost of living than Sydney, Melbourne, Perth or Canberra. To make the most of your time in Australia, we recommend you plan and budget for your study and vacation time.

Monthly costs
How much it will cost you to live in Brisbane will depend partly on your lifestyle preferences and where you choose to live. For example, if you live in an on-campus college, expect to pay from $1760–$3340 per month. If you choose a private student accommodation provider, you will pay in the vicinity of $1380–$2720 per month. If you are the more independent type and want to live in a share house (off-campus private accommodation), your monthly budget will be in the range of $1400–$2260 (this does not include establishment costs such as rental bond, furniture and utilities set-up).

Weekly expenses
The table below estimates weekly expenses for studying at UQ. These estimates are a guide only and prices vary according to your lifestyle. UQ tuition fees, textbooks, clothing, entertainment, printing, and healthcare costs are in addition to the figures below.

Working while studying
If you have a student visa you can work up to 40 hours per fortnight (two-week period) during university semesters, and full-time hours during vacations. In general, students shouldn’t expect to cover tuition fees or living expenses by holding down a casual job.

If you are studying at UQ on a scholarship, contact your scholarship provider about how many hours you are permitted to work each week.

Student concessions
As a student, you can use your student ID to receive concession prices for public transport, the cinema, museums, software, technology and much more.

Visa information
When applying for a student visa, you must meet the Genuine Temporary Entrant criteria (homeaffairs.gov.au/trav/stud/more/genuine-temporary-entrant) and have sufficient funds to pay your tuition fees and living costs (and the living costs of any dependants, if applicable) for the duration of your studies.

Tuition fees

Study Abroad

Study Abroad tuition fees for 2019 are $12,650 per semester regardless of the number of courses taken. A standard full-time load for one semester at UQ is eight units (which usually equates to four courses). Please note, this fee is indexed annually and is subject to change.

Incoming Exchange

If you come to UQ on an Incoming Exchange program, you pay tuition fees to your home institution based on the fee requirements of your home institution. A standard full-time study load for one semester at UQ is eight units (which usually equates to four courses). You should contact the Exchange Office at your home institution for details.

Health insurance

If you will be coming to Australia on a student visa, you will need to purchase Overseas Student Health Cover (OSHC) as one of the conditions of your visa. This is an insurance policy that covers you for basic medical and hospital care and is required from the day you arrive in Australia until you leave. UQ’s preferred OSHC provider is Allianz Global Assistance. UQ can organise your OSHC with Allianz when you accept your UQ offer and pay your tuition fee deposit. Alternatively, you can obtain your own OSHC from a government-approved OSHC provider.

Refunds

Refunds are made to international students in accordance with our Policies and International Student Refund Procedures.
Study Abroad eligibility
The UQ Study Abroad program is available to students currently studying at an accredited institution outside of Australia. As a Study Abroad student, you can study at UQ for one or two semesters and will be enrolled as a non-award student.

Academic entry requirements
To meet the University's entry requirements for the Study Abroad program you must:
• have completed at least one full-time year of study at an accredited university
• be currently enrolled at an accredited university
• meet specific course prerequisites for admission into certain courses.
• hold average to above-average results in university studies to date

Incoming Exchange eligibility
The UQ Incoming Exchange program is available to students currently studying at an overseas institution that has a student exchange agreement with UQ. As an Incoming Exchange student you can study at UQ for one or two semesters and will be enrolled as a non-award student. You should contact the International Exchange Office at your home institution for more information about studying at UQ on exchange. To check if your university is a UQ exchange partner, see: uq.edu.au/studyabroad/incoming-exchange.

Academic entry requirements
To meet the University’s entry requirements for Incoming Exchange you must:
• be nominated by your home university
• have completed at least one full-time year of study at an accredited university
• be currently enrolled at an exchange partner university
• meet specific course prerequisites for admission into certain courses.
• hold average to above-average results in university studies to date.

Credit transfer
Credit gained at UQ is in most cases transferable to your degree at your home university. It is important that your home institution approves your intended course of study to ensure smooth credit transfer. You must plan to enrol in a full-time load during each semester you study at UQ. A standard full-time load is eight units, which usually equates to four courses per semester.

Choosing courses
You may take courses across multiple faculties as long as your course choices are approved by your home university. Most courses are open to Study Abroad and Incoming Exchange students. However, some have prerequisites or require permission from the relevant faculty or school before you can enrol in them: see pages 12–16.

Do you need to improve your English to enter UQ?
If you meet the academic entry requirements for entry to UQ, but need further English language training, you can apply for a package offer that includes English language studies at UQ-ICTE before commencing your semester. icte.uq.edu.au/uq-pathways

English language proficiency requirements
You must meet UQ’s English language proficiency requirements to undertake courses at the University. The minimum IELTS and TOEFL scores required for admission to the Study Abroad and Incoming Exchange Program at the University are listed in the table at right.

* Test scores are valid for two years from the date of the test to the date of commencing the UQ program. Information correct as at April 2018 and is subject to change.

**STEP 1 CREATE**

Create applicant account to start online application

Go to UQ’s online application portal at apply.uq.edu.au and create an applicant account, then choose the appropriate application type: Incoming Study Abroad or Incoming Exchange.

We strongly encourage you to submit your application online. However, we can still accept paper applications if necessary: go to future-students.uq.edu.au/publications-and-forms.

**STEP 2 UPLOAD**

Upload all required documentation

This includes an up-to-date official academic transcript in English and proof of English language proficiency, if applicable. If you are applying for Incoming Exchange, you will need to be nominated by your home university.

TIP: You can save an incomplete form and return later.

**Visas**

All international students applying to study in Australia must have a student visa unless they have an alternative visa that enables them to study full-time.

To be eligible to apply for an Australian student visa, you must undertake a program on campus at UQ on a full-time basis.

It is your responsibility to ensure that you receive your visa in enough time to commence studies at the University.

For all visa enquiries and applications, please contact your local Australian Embassy, High Commission or Diplomatic Mission.

**Student visa (subclass 500)**

**Suspensions, deferrals and cancellations**

If you wish to defer (i.e. delay commencing the Study Abroad or Incoming Exchange program), please contact the Study Abroad and Incoming Exchange Office as soon as possible. You may be able to apply for a deferral for up to two years.

Once you commence study, you may also suspend or cancel your enrolment on compassionate or other compelling grounds. The University may also suspend or cancel your enrolment for a number of reasons including misbehaviour, poor academic standing and unsatisfactory academic progress. Please note that any suspensions, deferrals or cancellations may affect your visa.
