All networks are GSM and all offer 4G services, so you may be able to use an Australian SIM card in a phone you already own (Europe and Asia). A wide range of mobile plans are available (pre-paid, SIM only and more), and SIM cards are inexpensive, widely available and easy to activate.

There are a wide range of plan providers for each network:

**Telstra Network Providers:** Telstra, Boost Mobile, Woolworths Mobile, ALDI Mobile

**Optus Network Providers:** Optus, Virgin Mobile, Amaysim, Coles, Vaya

**Vodafone Network Providers:** Vodafone, Lebara Mobile Providers

TIP: You can pick up a SIM card from the Optus or Vodafone kiosks as soon as you arrive at Brisbane International Airport.
ACCOMMODATION

Having a place to call home is a very important part of feeling settled at a new university. At UQ we can help you with accommodation options both on and off campus to suit every lifestyle and make you feel at home.

Where to start?
Our UQ Accommodation team can help you find out about accommodation options, including on-campus colleges, UQ’s approved commercial student accommodation providers, and off-campus private rentals. They can provide guidance with securing accommodation before you arrive, give general advice on documentation, and point you to useful materials online.

TIP: Attend a Renting in Brisbane information session after you arrive at UQ (see page 12).

Guaranteed accommodation
If you would prefer the peace of mind of organising a place to stay before you arrive, UQ offers guaranteed accommodation for international students commencing at Herston or St Lucia in their first year of study.
To secure your room apply at: my.uq.edu.au/guaranteed-accommodation

On-campus colleges
If you are studying at one of UQ’s Brisbane campuses, you can live in one of our ten colleges at UQ St Lucia, or if you are studying at UQ Gatton, you can live at the Gatton Halls of Residence.
Living on campus means you can walk to class, enjoy additional services including academic support and social and sporting activities, and your meals are provided. It’s a traditional, immersive university experience, where you will make friendships for a lifetime. Apply before you arrive to secure a room.

Associate members program
Does college life appeal to you but you are not going to live in a college? As a first-year student, you can enjoy a college’s resources and social activities through the associate
members program. Membership benefits vary: contact the colleges for more information.

**Off-campus student accommodation**

Want to cook your own meals but still live in a student community in the inner city of Brisbane? Choose from one of our recommended student accommodation providers. A variety of studio and single-bedroom apartments are available, as well as rooms in two- to six-bedroom units. You can pre-book a room before you arrive.
my.uq.edu.au/student-support/accommodation/approved-providers

**Private housing**

Brisbane’s rental market features everything from low-cost share houses to high-rise apartments, while Gatton’s rental market features a range of affordable share houses. To find a room, apartment or house, first check our database, UQ Rentals. There are also private rental accommodation websites and you can rent directly from real estate agents.

**NOTE:** At the start of a lease you typically pay two weeks rent in advance and a bond (which is four weeks rent). You should get the bond back at the end of your lease if you maintain the property well. Make sure you inspect a property in person before paying money or signing anything.

**Which suburb?**

Brisbane is a vibrant and energetic city with diverse precincts and suburbs. Find out which suburb best suits your budget and lifestyle on the my.UQ Suburb Guide webpage:

**TIP:** You may want to consider your transport options and costs when choosing a suburb to live. Page 14 has information about public transport, which includes a map of Brisbane suburbs, zones and fares.

**Students under 18 years of age**

UQ offers a Supervision Program that approves the accommodation, support and general welfare of international students under 18 years of age. This program is compulsory for international students who:

- are at least 17 years of age when they enter Australia and commence their program at UQ
- are not living with a parent, legal custodian or suitable relative approved by the Department of Home Affairs (previously the Department of Immigration and Border Protection) while under 18 in Australia
- need their accommodation and welfare arrangements approved to meet the Department of Home Affairs’ student visa requirements.

uq.edu.au/student-services/u18-supervision

**Arrive around one month before classes start** to get organised, arrange inspections and lodge your rental application. Make sure you arrange temporary accommodation for when you land, if necessary.
Brisbane is an affordable city, offering a lower cost of living than Sydney, Melbourne, Perth or Canberra. You may find the cost of living in Australia to be higher or different for items such as food, housing and transport in comparison to your home country.

To make the most of your time at UQ, we recommend you plan and budget for your study, day-to-day living and leisure time.

**Working while studying**

On a student visa, you can work up to 40 hours per fortnight (two-week period) during university semesters, and full-time hours during vacations. In general, you shouldn’t expect to cover tuition fees or living expenses by working at a casual job.

If you are studying at UQ on a scholarship, contact your scholarship provider about how many hours you are permitted to work each week. homeaffairs.gov.au/trav/stud/more/work-conditions-for-student-visa-holders
Tax File Number
To work in Australia, you will need to have an Australian Tax File Number (TFN). This is a unique number issued by the Australian Taxation Office (ATO) to individuals and organisations to help manage tax and other government services.

[www.ato.gov.au/Individuals/Tax-file-number/Apply-for-a-TFN/]

Visa information
When applying for a student visa, you must meet the Genuine Temporary Entrant criteria ([www.homeaffairs.gov.au/trav/stud/more/genuine-temporary-entrant]) and have sufficient funds to pay your tuition fees and living costs (and the living costs of any dependants, if applicable) for the duration of your studies.

[future-students.uq.edu.au/international/visa-information]

Banks
There are four major banks and a number of smaller banks to choose from in Australia.

- Commonwealth Bank of Australia
- Westpac Bank
- ANZ Bank
- National Australia Bank

TIP: Some banks allow international students to open an account in the three months leading up to arrival.

Overseas student health insurance cover
As part of the conditions of your student visa, you will need to purchase Overseas Student Health Cover (OSHC).

This is an insurance policy that covers you for basic medical and hospital care and is required from the day you arrive in Australia until you leave.

When you accepted your UQ offer and paid your tuition fee deposit, you should have received information about UQ organising your OSHC with preferred provider Allianz Global Assistance.

If you have chosen for UQ to arrange your OSHC, you will find your policy number in your Confirmation of Enrolment (CoE).

NOTE: OSHC does not cover dental and optical costs, or particular pre-existing conditions. Check your policy for more information.

Your next steps are to order your OSHC card and download the My OSHC Assistant app:

- Once you have arrived and moved into a local address, order your hard copy Overseas Student Health Cover card.
- Download the free app to manage your personal details, submit a claim, locate doctors, find contact details or translate medical terms.

[oshcallianzassistance.com.au]

TIP: If you don’t want to go with Allianz Global Assistance, you can obtain your own OSHC from a government-approved OSHC provider. To find out more about other OSHC providers visit:

[future-students.uq.edu.au/international/health-insurance]

Attend a ‘Working on a Student Visa’ workshop to learn:

- work limitations of your student visa;
- how to obtain a Tax File Number (TFN);
- where to look for student-friendly jobs;
- income tax on your earnings/savings;
- where to get help with your Income Tax refund.

[uq.edu.au/student-services/upcoming-workshops]
Brisbane is a modern Australian city and you will find everything you need here, but we recommend you pack the following for when you arrive.

What clothes to pack?
Brisbane is a subtropical city that enjoys warm to hot weather most of the year. The city does at times experience heavy rainfall, tropical storms and cooler winters (June–August) where the temperature can drop below 10°C.

Although Brisbane is renowned for its pleasant climate, we recommend you pack everything from summer staples of shorts and T-shirts, to items to cover you in wet and cooler weather. For those living in Gatton, you should pack some additional warm clothing, as temperatures can be cooler on average in winter than in Brisbane.

Documents
- A printout of your electronic visa.
- A copy of your passport details (also leave a copy with your family at home).
- A recent Police Clearance (if you have one, as some occupations and work experiences will require one).
- References for finding a job.
- A certified copy of your Birth Certificate.
- Medical history from your doctor if needed.
- We recommend you get English translations of your important documents before you leave for Australia.

TIP: Pack the most important documents in your carry-on luggage.

Australian Customs and Quarantine laws
Australia has strict customs and quarantine laws and it is important that you are aware of these conditions before coming to Australia. When you arrive you must declare on your Incoming Passenger Card if you are carrying food or any items of plant or animal origin, including meat, poultry and seafood products, honey, dairy products or straw packaging, or any equipment used with animals.

A wide range of food products are available in Australia, so it’s usually not worth the hassle and better to leave your food items at home. Heavy penalties, including jail, have been imposed on people who fail to observe quarantine laws. For further information on what you can and can’t bring into Australia, please visit www.australia.gov.au/information-and-services/passports-and-travel/customs-and-quarantine.

TIP: You can bring some commercially packaged candy, cookies or snacks. Always declare them when you arrive.

Vaccinations
There are no mandatory vaccinations required to enter Australia. However, depending on your program, particularly for those undertaking study in healthcare environments, you may need to provide relevant vaccination records.
SAFE TRAVELS!

Airport pick-up
As a new student to UQ, we provide free transportation from Brisbane’s domestic or international airports when you first arrive in Australia. This service is available for all three UQ campuses.

To arrange airport pick-up, you will need to provide:

- minimum of three working days’ notice
- date of flight, flight time and flight number
- full drop-off address, including unit and street number
- number of persons accompanying you (if applicable)
- luggage and other relevant details.

NOTE: Airport pick-up is free for students to any address within 20km of the Brisbane Airport. Fees will be charged for drop-off addresses greater than this distance, and any additional accompanying passengers. No excess fees are charged for transportation within the surrounding areas of Gatton.

Adjusting to a new culture

Adjusting to your new life as a UQ student in Australia may take some time. When students first arrive, many feel elated about the new and exciting sensations they are experiencing. This can also be overwhelming and may affect you physically and emotionally. For most, this is temporary while adjusting to the challenges of living in a different country. After some time as you become more settled, you will begin to feel happy and at home. If you find you are experiencing hardship, homesickness or just not feeling OK, reach out to UQ Student Services for help.
