ENHANCED STUDIES PROGRAM

2019

YOUR OPPORTUNITY TO
TEST DRIVE UQ IN YEAR 12

UQ's Enhanced Studies Program (ESP) provides you with an opportunity to extend your knowledge, skills and abilities by completing one university subject during Year 12.

YOUR APPLICATION

YOUR ADVANTAGE

Study a uni course in **Semester 1** of Year 12

Prepare yourself for university study by experiencing classes, completing assessments and enjoying campus life

Receive **one adjustment factor*** towards your UQ selection rank on successful completion of ESP

Receive **credit** for your ESP study after enrolling in a relevant UQ degree

No course tuition fees

1

Visit **esp.uq.edu.au** and check your eligibility. ESP applications are open to current Year 11 students in Queensland. For most courses, applicants must be achieving at a high level.

2

Before you apply, consider your workload in Year 12 and whether you feel confident you can balance the extra study.

3

Complete the online application form at **esp.uq.edu.au** and upload your Semester 1, Year 11 report card. You must also upload a permission form signed by your parent/guardian and school principal.

Applications open early August and close Wednesday 31 October 2018.

* Adjustment factors were previously called bonus points. Adjustment factors are a numerical value added or used in combination with an OP or selection rank. Common adjustment factors may include subject adjustments, enrichment studies, or educational disadvantage.
