

New Zealand NCEA Level 3

The following information is provided to assist domestic students who have completed or are undertaking the New Zealand National Certificate of Educational Achievement (NCEA) Level 3 and intend to seek admission to undergraduate study at The University of Queensland (UQ).

ENTRY REQUIREMENTS

For entry to all undergraduate programs at UQ applicants must meet two basic entry requirements:

1. Eligibility (i.e. satisfy the subject prerequisites and other requirements)
2. Merit (i.e. possess a selection rank high enough for a place in the program[†])

[†] Selection ranks range from 1 to 99 (maximum). As admission is competitive the minimum selection thresholds for programs can fluctuate from year to year.

For detailed program information, including prerequisite requirements and minimum selection thresholds from previous admission periods, please refer to future-students.uq.edu.au.

GAINING A SELECTION RANK

The New Zealand Qualifications Authority (NZQA) provides a measure of achievement (based on NCEA Level 3 results and University Entrance) to the Queensland Tertiary Admissions Centre (QTAC), from which QTAC derives an entry rank.

Queries regarding this measure of achievement should be made to NZQA – call + 64 4 463 3000 or visit nzqa.govt.nz/qualifications-standards/qualifications/ncea.
