WHERE IS UQ?

The University of Queensland has three campuses in and around Brisbane, Australia, and more than 40 teaching and research sites around the state.

Sunny days and year-round temperate weather are a way of life in South-East Queensland, and the local landscape features lush northern rainforests and golden surf beaches.
BRISBANE: A STUDY PARADISE

We offer one of the best campus experiences in the world in a city renowned for its relaxed and safe lifestyle, subtropical climate and unique architecture.
Brisbane

Brisbane is the capital city of Queensland and its economic engine room. Young and progressive, the city is fast becoming a hub in the Asia Pacific for business, investment, major events and education. It is also home to over 200 nationalities and 220 languages.

Entertainment

The city has a great live music scene that can be discovered in Fortitude Valley and West End. For comedy, live theatre and dance, head to the Brisbane Powerhouse and QPAC. The Gallery of Modern Art (GOMA) is one of the best modern galleries in the country, and keep an eye out for the Brisbane International Film Festival, the Brisbane Writers’ Festival and the Brisbane Festival that attract international artists from across the globe.

Sport

Brisbane’s amazing weather and endless sporting facilities make physical activity a must. Kayak along the Brisbane River, rock climb your way to the top of the Kangaroo Point cliffs, ride along more than 20 kilometres of riverside cycle paths, join a sporting club, or barrack like a local when you attend a rugby union, rugby league, cricket, “Aussie rules” or football match at one of our famous stadiums.

Food

With just under a third of Brisbane’s population born overseas, you can find cuisine from almost every culture. From cheap lunchtime and Cheap Tuesday offers, to reasonably priced cafés, pubs, restaurants and farmers’ markets, there is plenty to choose from and plenty of new culinary experiences to be had. And you can always picnic or barbecue in one of our lovely parks by the river.

Getting around

One of the best views of Brisbane is from the CityCat, a ferry service that runs along the river from UQ’s St Lucia campus to the city and the riverside suburb of Hamilton. Brisbane also has an extensive bus and train network that makes it easy to get around. A go card will allow you to travel on all Brisbane public transport at discounted student prices.

Around Brisbane

When it is time to head out of the city, there is plenty to discover. Head south for the famous golden sands of the Gold Coast and Byron Bay, north for the quiet beaches of the Sunshine Coast or the majestic Great Barrier Reef, west for ancient rainforests and charming outback towns or east for the spectacular Moreton Island, Stradbroke Island and Fraser Island. Sydney, Cairns and Melbourne are all short flights away. You will wish you had more holidays.

Grocery stores are only a short walk away.

Green thumbs
Two campus farms house animals, horticultural fields, a plant nursery, post-harvest facilities, research laboratories, greenhouses, and plenty of machinery. Grow your own herbs and vegetables in the campus community garden.

Fitness
Gatton’s gym has a weights room and offers fitness classes every week. You can go for a swim in the 25-metre pool or grab a friend and head to the squash courts, tennis courts, the indoor sports hall or one of three ovals.

Gatton’s two-level library features computers, 24-hour study spaces, a phone friendly space, group rooms and adjustable workstations.

Free intercampus bus service
UQ provides a free intercampus bus service between UQ Gatton and UQ St Lucia for students and staff.

UQ HERSTON

This campus is located in the heart of Brisbane’s health district.

It is home to our Medicine and Public Health schools, the Queensland Institute of Medical Research, UQ’s Centre for Clinical Research and the Oral Health Centre.

Next door is the Royal Brisbane and Women’s Hospital and the QIMR Berghofer Medical Research Institute.

There is a bank on campus, ATMs, a gift shop, a pharmacy, a post office, newsagency, food stores and a bookshop.

Herston’s Health Sciences library features computers, group and individual rooms, 24-hour study spaces, a consultation room, and access to the Queensland Health network.
With more than 4000 courses on offer, you will have many options when studying at The University of Queensland.

On the next few pages are just some of the more popular choices for Study Abroad and Incoming Exchange students. While UQ’s courses are administered by its faculties, Study Abroad and Incoming Exchange students are not restricted to taking courses in only one faculty.

FIND A UQ COURSE

STEP 1 Enter

Go to uq.edu.au/study
Enter a search term in the search bar – you can search by course code or area of interest – and choose ‘Courses’ from the drop down menu on the right hand side to explore available courses.

STEP 2 Click

Click on a course code or title
Check the level of the course (undergraduate or postgraduate), and which semester and campus it is offered: click on the semester and campus for course description.

STEP 3 Check

Check course description page
Here you will find a short description of the course as well as a link to a detailed course profile: if the course is pre-approved for Study Abroad and Incoming Exchange students, there will be a note on the sidebar on the left stating this (you can still apply for other courses that don’t state this, but will need to show that you meet the prerequisites – click on the most relevant Course Profile link in red to access course information such as learning objectives, resources, activities, assessment).

STEP 4 Refine

To refine your search
Go back to the search results page and, from the left navigation menu, select as many filters as you want: for example, refine your search to include only pre-approved courses for Study Abroad students and/or only courses offered in a particular semester (if you do a new search you will have to refine it again).

SETTLE IN

Getting Started sessions
Make your transition to Brisbane and university life a smooth one by attending one of our Getting Started sessions either when you arrive or during O-Week. COME BACK!

Postgraduate study

After completing your undergraduate degree you can come back to UQ for your postgraduate studies, joining former UQ exchange student luminaries like Professor Bernard Degnan. Professor Degnan came to UQ from the University of Southern California in one of the first exchange cohorts. While here, he became enchanted with the Great Barrier Reef and returned to UQ to complete a PhD. Thirty years later, his work on eradicating the destructive Crown of Thorns starfish is set to revolutionise efforts to preserve the Great Barrier Reef.

We have accommodation options to suit your lifestyle and make you feel at home. Live in a college on one of the best campuses in the world, head to the inner city for off-campus student accommodation, or find your own home in the private housing market.

**On-campus colleges**
Are you up for the traditional, immersive university experience? Live on campus in one of our ten colleges at St Lucia or in the Halls of Residence at Gatton. You can walk to class, enjoy services like academic support and social and sport activities, and your meals are catered for. Plus, you will make friendships that last a lifetime. Apply before you arrive to secure a room.

W: liveuq.edu.au

**Off-campus student accommodation**
Do you want to cook your own meals but still live in a student community in Brisbane’s inner city? Choose from one of our recommended student accommodation providers. A variety of studio and single bedroom apartments are available as well as rooms in two to six bedroom units. You can pre-book a room before you arrive.

W: uq.edu.au/student-services/accommodation/preferred-providers

**Private housing**
Are you the more independent type? You might like to share a house or apartment with other people. Brisbane’s rental market features everything from low-cost share houses to high-rise apartments. To find a room, apartment or house, first check our database, UQ Rentals. There are also private rental accommodation websites and you can rent directly from real estate agents. At the start of a lease you typically pay two weeks rent in advance and a bond (which is four weeks rent). You should get the bond back at the end of your lease if you look after the place. Make sure you inspect a property in person before paying money or signing anything.

W: uqrentals.com.au

**UQ accommodation team**
Our UQ Accommodation Services team can help you find your new home. If you are new to the Brisbane housing market, attend one of their free information sessions two weeks before classes start. The team can also give you advice, check documentation for you, and direct you to useful material online.

**Airport pick up**
Get picked up from the airport for your first semester at UQ. We will collect you for free from Brisbane's domestic or international airport. Just make sure you book three days in advance.

W: uq.edu.au/student-services/accommodation/airport-reception

**Associate members program**
Does college life appeal to you but you are not living in a college? As a first year student, you can access a college's resources and participate in their activities through our college associate members program. Membership benefits vary between colleges.

UQ college accommodation

COST OF LIVING

Brisbane is an affordable city offering a lower cost of living than Sydney, Melbourne, Perth and Canberra.* To make the most of your time in Australia, we recommend you plan and budget for your study and vacation time.

Yearly costs
How much it will cost you to live in Brisbane will depend partly on your lifestyle preferences. For example, if you live in a share house (off-campus private accommodation), your yearly budget will be in the range of $17,000–$25,000.

In addition to this amount, you will also need to consider establishment costs such as buying furniture, paying rental bond and setting up electricity, gas and mobile phone accounts, as well as other expenses such as visa and medical fees, tuition fees, return airfares, and Overseas Student Health Cover (OSHC). Remember that exchange rate variations may also affect your budget.

Weekly expenses
The table below estimates weekly expenses for studying at UQ. These estimates are a guide only and prices vary according to your lifestyle. UQ tuition fees, textbooks, clothing, entertainment, printing, and healthcare costs are in addition to the figures below.

Working while studying
If you have a student visa you can work up to 40 hours per fortnight (two-week period) during university semesters, and full-time hours during vacations. In general, students shouldn’t expect to cover tuition fees or living expenses by holding down a casual job.

If you are studying at UQ on a scholarship, contact your scholarship provider about how many hours you are permitted to work each week.

W: border.gov.au/Trav/Stud

Student concessions
As a student, you can use your student ID to receive concession prices for public transport, the cinema, museums, software, technology and much more.

W: uq.edu.au/startingatuq/what-you-can-do-with-your-id-card

Bringing your family
If you are bringing your children, you will have to factor in school fees and childcare costs.

If you are bringing a spouse and/or children, they will need dependant visas.

FEES AND EXPENSES

As an international student, you will pay tuition fees and a services and amenities fee. Some programs have additional costs; see individual program listings for details.

If you are in Australia on a Student Visa, you will probably need to buy health insurance.

Tuition fees

Study Abroad
Study Abroad tuition fees for 2018 are A$12,168 per semester regardless of the number of courses taken. A standard full-time load for one semester at UQ is eight units (which usually equates to four courses). Please note, this fee is indexed annually and is subject to change.

Incoming Exchange
If you come to UQ on an Incoming Exchange program, you pay tuition fees to your home institution based on the fee requirements of your home institution. A standard full-time study load for one semester at UQ is eight units (which usually equates to four courses). You should contact the Exchange Office at your home institution for details.

W: future-students.uq.edu.au/apply/international/tuition-fees

Health insurance
If you will be coming to Australia on a Student Visa, you will need to purchase Overseas Student Health Cover (OSHC) as one of the conditions of your visa. This is an insurance policy that covers you for basic medical and hospital care and is required from the day you arrive in Australia until you leave. UQ’s preferred OSHC provider is Allianz Global Assistance. UQ can organise your OSHC with Allianz when you accept your UQ offer and pay your tuition fee deposit. Alternatively, you can obtain your own OSHC from a government-approved OSHC provider.

W: future-students.uq.edu.au/international/health-insurance

Refunds
Refunds are only made to international students in certain circumstances and in accordance with our Fee Rules and International Student Refund Procedures.
