BRIDGING PROGRAMS
DOMESTIC ADMISSIONS INFORMATION SHEET

ENTRY REQUIREMENTS

For entry to all undergraduate programs at UQ applicants must meet two basic entry requirements:

1. Eligibility (i.e. satisfy the subject prerequisites and other requirements)
2. Merit (i.e. possess an entry rank high enough for a place in the program†)

† Entry ranks range from 1 to 99 (maximum). As admission is competitive the entry rank cut-offs for programs can fluctuate from year to year.

For detailed program information, including prerequisite requirements and entry rank cut-offs from previous admission periods, please refer to http://future-students.uq.edu.au.

APPROVED BRIDGING STUDIES

Bridging programs equip students with the appropriate level of knowledge in the subject areas deemed necessary to undertake tertiary study successfully. UQ accepts the following bridging studies, if passed, to meet the listed subject prerequisites for entry to most undergraduate programs. For English requirements for undergraduate Education programs, please contact UQ Admissions.
