ELEANOR SCHONELL BRIDGE

UQ SELF-GUIDED TOUR

UQ self-guided tour

UQ's main campus lives in leafy St Lucia, one of Brisbane's most enchanting and energetic suburbs.

Covering 114 beautiful hectares, our St Lucia campus is home to lecture theatres, museums, galleries, restaurants, shops and world-class sporting and social facilities.

Only seven kilometres from the CBD and easily accessible via public transport, the only thing easier than getting to campus is losing yourself among the gorgeous scenery and historic sandstone architecture once you've arrived.

With so much to see and enjoy, first-time visitors may wonder where to begin – and this is where our Self-Guided Tour comes to the rescue. This map and suggested route will help you immerse yourself in the wonderful world of UQ.

Enjoy your tour!

Getting to UQ

To reduce traffic and parking pressures, we recommend using public transport, walking, cycling or carpooling when possible.

Public transport

Download the [Translink app](#) and use the Journey Planner to get to UQ St Lucia via bus, train or ferry.

Parking on campus

If driving is the best option for you, you can explore our [parking options](#) here.

Need some Wi-Fi?

Be our guest. When you're on campus, open the Wi-Fi settings of your device and find the 'Visitor-UQconnect' network. No username or password required.

Have a question?

We'd love to hear from you. Find the right team to reach out to on our [Future Students contact page](#).

@uniofqld

Please note: This map is designed specifically for the St Lucia Campus Self-Guided Tour. For a full-scale and more detailed map for general use, please visit maps.uq.edu.au/st-lucia or ask one of the friendly Student Centre staff members for a physical copy.

Virtual tours

Once you've finished your self-guided tour, get a closer look at some UQ locations in action with our virtual tour.

Tour highlights

Here's an overview of some sites you'll pass through on your self-guided tour.

Student Centre

A hub where current students can ask questions and get assistance with enrolment, fees, timetabling and more.

UQ Art Museum

A collection of contemporary and thought-provoking art where you can find inspiration, a quiet place to study or even a cup of coffee between classes.

Walter Harrison Law Library

One of several libraries where students can access study rooms, computers, textbooks and other resources. A great meeting spot for study groups.

The Great Court

The heart of the St Lucia Campus where you can study, relax, catch up with friends or marvel at the sandstone carvings. Popular for ceremonies, exhibitions and functions.

Student Union Complex

A facilities hub featuring the Main Refectory, a pharmacy, the REDROOM bar and bistro, food and drink outlets, a second-hand bookshop and more.

Global Change Institute

A source of innovative research, ideas, policy and advice for addressing the challenges of a changing world.

UQ Lakes

Students and staff alike love lunching and relaxing around the lakes. Cross the bridge for stunning views over the water and enjoy the diverse wildlife including cute turtles and ducks.

Ventures

A community running programs and events to help aspiring entrepreneurs (students, alumni and researchers alike) turn their ideas into reality.

Goddard Building

Home to the School of Biological Sciences and a vibrant community of life scientists. Don't miss the larger-than-life crocodile model hanging in the foyer.

Advanced Engineering Building

This uniquely designed facility is home to active-learning laboratories, contemporary research spaces and the state-of-the-art GHD Auditorium
