Bridging Studies

**Entry requirements**
For entry to all undergraduate programs at UQ applicants must meet two basic entry requirements:

1. Eligibility (i.e. satisfy the subject prerequisites and other requirements)
2. Merit (i.e. possess a selection rank high enough for a place in the program)

*Selection ranks range from 1 to 99 (maximum). As admission is competitive the minimum selection thresholds for programs can fluctuate from year to year.*

For detailed program information, including prerequisite requirements and minimum selection thresholds from previous admission periods, please refer to future-students.uq.edu.au.

**Approved bridging studies**
Bridging programs equip students with the appropriate level of knowledge in the subject areas deemed necessary to undertake tertiary study successfully. Some bridging studies can derive a new selection rank if completed. UQ accepts the following bridging studies, if passed, to meet the listed subject prerequisites for entry to all undergraduate programs:

**Certificate IV in Adult Tertiary Preparation**
Preparatory studies designed for adult learners. Subjects are generally studied on-campus and conducted over a 12-month period. UQ College offers a flexible online program.

- Language and Learning—2 units (English)
- Mathematics – 2 units (General Mathematics)
- Pure Mathematics – 3 units (Mathematical Methods)
- Biology – 2 units (Biology)
- Chemistry – 3 units (Chemistry)
- Physics—3 units (Physics)

Minimum grade required: Grade of Pass, JP or J1.
Maximum selection rank attainable: 91 (combination with Special Tertiary Admissions Test (STAT), max selection rank = 98.95)

**UQ College Tertiary Preparation Program**
A 28 week program commencing in January, May and September each year designed to equip adult learners with the necessary academic skills to engage in successful tertiary study. UQ College also delivers intensive courses in English (October - 10 weeks) and Mathematics, Chemistry and Biology (November/December - 4 weeks).

- Academic English for University Studies (English)
- Pre-University Biology (Biology)
- Pre-University Chemistry (Chemistry)
- Pre-University Mathematics A (General Mathematics)
- Pre-University Mathematics B (Mathical Methods)

Minimum grade required: Grade of 4
Maximum selection rank attainable: 93 (completion of all 5 units; completion of 2, 3 or 4 units can derive a selection rank but less generous)

**UniLearn**
Self-paced distance education modules based on Year 12 level subjects.

- Introductory Mathematics (General Mathematics)
- Senior Mathematics (Mathematical Methods)
- Biology (Biology)
- Chemistry (Chemistry)
- Physics (Physics)

Minimum grade required: Grade of Pass.

Phone: 07 3138 5268
Email: cpe@qut.edu.au
Website: qut.edu.au/continuing-professional-education

USQ Tertiary Preparation Program
Bridging studies offered on an external basis commencing in Semester 1, 2 and 3.
• Study Management – TPP7122 and Communicating at University B – TPP7123 (both required to meet English)
• Mathematics Tertiary Preparation 1 – TPP7181 (General Mathematics)
• Mathematics Tertiary Preparation 2 & 3 – TPP7182 + TPP7183 (Mathematical Methods)
• Preparatory Physics (Physics) - TPP7160 *students can only enrol in a science course after completion of the English and a Maths subject in their first semester.
Minimum grade required: Grade of Pass (or 4).
Maximum selection ranks attainable:
• 86.95 (completion of 5-6 units); or
• 88.95 (completion of 7+ units)
Contact: USQ
Phone: 1800 269 500
Email: study@usq.edu.au
Website: usq.edu.au

Other bridging studies may be acceptable. Please contact UQ Domestic Admissions for details.

Senior External Examinations
The Senior External Examinations are a set of subject examinations administered by the Queensland Curriculum and Assessment Authority (QCAA). Assessment of achievement in a subject is based solely on demonstrated achievement in the final examination.
Each subject examination is held annually, with year-long preparation studies offered by approved institutions, such as Centres for Continuing Secondary Education (CCSEs) and Secondary Colleges.
• English
• Biology
• Chemistry
• Physics
• General Mathematics
• Mathematical Methods
Minimum grade required: Grade of Sound Achievement.
Maximum selection rank attainable: 99 (lower ranks attainable with 2-4 subjects)
Contact: QCAA
Phone: 07 3864 0475
Email: externalexams@qcaa.qld.edu.au
Website: qcaa.qld.edu.au
