

THE UNIVERSITY
OF QUEENSLAND
AUSTRALIA

CREATE CHANGE

2024 UQ Guide

Domestic Postgraduate
Coursework

Welcome to The University of Queensland

Starting university is the beginning of a transformational experience. You'll make lifelong friends, exchange ideas with other bright minds, and learn from Australia's most awarded teachers.

You'll gain knowledge and skills to help you excel, no matter where your life and career take you in this rapidly changing world. You'll join a community of students from all over Australia and around the globe – each with their own unique worldview, but united by the curiosity, creativity and entrepreneurial spirit that make UQ graduates so attractive to employers.

As a global top 50 university, UQ has championed creative thinking for more than 100 years to solve problems facing humanity. Our teaching is not only informed by the most up-to-date research, but our researchers are discovering the latest breakthroughs and having a positive impact on people's lives around the world.

We're also passionate about enriching the entrepreneurial ecosystem and creating the leaders of the future. We support entrepreneurs at every stage of their journey, by providing opportunities to work alongside staff and alumni, and connecting them with a wide range of global experts.

You'll learn in a way that suits you at one of our beautiful campuses in South-East Queensland – whether in seminars, small tutorials, laboratories, online, or by partnering with our passionate educators to change how courses are taught.

University isn't just about study though – you'll also have fun here. We are renowned for our vibrant campus culture, clubs, societies, and world-class sporting facilities, where you'll enjoy your recreation time while making friends for life.

No matter what your reason for being here, I am sure that you will enjoy UQ's long-standing traditions, while creating some new ones of your own.

At UQ, we aim to equip you for any challenge and every journey. I look forward to hearing about the positive impact that you will create in your time with us and beyond.

Professor Deborah Terry AO
Vice-Chancellor and President

Disclaimer
The information in this Guide is accurate at June 2023. However, the University has many programs and courses, and refreshes and updates its programs and course offerings from time to time and without notice. It is your responsibility to visit study.uq.edu.au for up-to-date information. All costs and fees quoted in this publication are in Australian dollars (A\$) except where otherwise indicated.

ESOS compliance
The provision of education services to international students by Australian education institutions is governed by the *Education Services for Overseas Students (ESOS) Act 2000* and the National Code of Practice for Providers of Education and Training to Overseas Students 2018. The ESOS Act and related legislation is designed to protect the interests of students coming to Australia on Student visas. The legislation aims to protect and enhance Australia's reputation for quality education, provide tuition protection, and support the integrity of the Student visa program. The University of Queensland, in providing education services to overseas students, complies with the National Code of Practice of the Department of Education and the Universities Australia code of ethical practice.

Our community

Welcome to UQ. Welcome to a community where you can truly belong.

Our community is the university's pulse – it's what keeps us going. And the diversity of UQ's people is what brings life to the spaces we gather in.

We want our students to not only feel a deep sense of belonging at UQ, but to thrive. So, we're constantly striving to ensure every person in our community feels seen, heard and celebrated.

Through equity, diversity and inclusion, we're creating vibrant and inclusive environments that allow ideas to flourish and people to feel empowered. People just like you.

Here's how we're doing it.

Celebrating LGBTIAQ+ people

LGBTIAQ+ people are welcomed, included and celebrated at UQ. From our student-run Queer Collective to our Ally Network, we aim to create a safe community that values and takes pride in its diversity of gender, sex and sex characteristics, and sexuality.

Embracing all cultures

The UQ community embraces and respects people from different backgrounds, lifestyles and cultures. Culturally and linguistically diverse peoples are essential to UQ's vibrant, welcoming atmosphere. We have many student-led clubs and societies for students from a huge variety of cultures, faiths and walks of life.

Encouraging niche interests

There are clubs, societies and initiatives for students with niche interests too. From K-pop to stargazing, UQ students are encouraged to pursue their passions and connect with others, creating the perfect setting to make lifelong friendships.

Providing constant support

We know university life can get tough sometimes. That's why we provide our students with a comprehensive suite of support services. From mental health to study support and everything in between, we're here if you need us.

Ensuring accessibility

At UQ, we strive to ensure physical, technological and academic accessibility for all students experiencing disability, neurodiversity, mental illness and chronic illness. We provide services that focus on creating an inclusive environment where all students have the same opportunity to succeed.

Championing equity

Everyone arrives at UQ from a different background and situation. What's important is that each student is encouraged to thrive and provided with the specific support needed to do so. We aim to remove personal, financial and geographical barriers to study, so all students can achieve their goals.

A place to belong

Realise your dreams. Remain true to who you are.

This is how UQ aims to inspire and support Aboriginal and Torres Strait Islander students.

A culturally safe and inclusive community

Making the transition to university can be hard, especially if you have to leave your family, friends and Country. UQ is a place not just to study, but to belong. You're part of not just a cohort, but a community. From pre-enrolment through to graduation, you're supported by the Aboriginal and Torres Strait Islander Studies Unit (ATSISU), the Goorie Berrimpa Indigenous student collective, and a large Indigenous student peer group from all different nations. At UQ, you're always connected to mob and culture, so you can stay true to mob and culture, even if you're away from home.

Everything you need to succeed

UQ has a strong and growing network of more than 1,000 Aboriginal and Torres Strait Islander alumni who are doing extraordinary work in our communities and around the globe. We want to inspire you to also achieve extraordinary things, whatever that may mean to you.

We aim to offer everything you need to help you succeed, from pathways into study and professional development opportunities such as study abroad programs, to help with accommodation and support tailored to your needs through the ATSISU.

We're here to support you through every step of your studies and to help you learn how to lead the way in your community, your field and your life.

Celebrate who you are

At UQ, we know a big part of the university experience is what happens outside the lecture hall. We have a huge array of social, cultural and professional development events for Aboriginal and Torres Strait Islander students. These include the pre-orientation welcome and information sessions, workshops with guest speakers, NAIDOC Week and the NAIDOC Ball, Reconciliation Week and the Indigenous Uni Games. We want you to be able to celebrate and acknowledge who you are, and your culture with the UQ community.

Aboriginal and Torres Strait Islander Studies Unit

Your community on campus.

Need help, advice or just a yarn? UQ's ATSIU is your place to seek guidance, find support, and connect with other Aboriginal and Torres Strait Islander students through dedicated social and study spaces.

At UQ, we believe there's no barrier to study you can't overcome with the right support. Our ATSIU helps all Aboriginal and Torres Strait Islander prospective and current students access:

world-class learning facilities

helpful advice and support on UQ admission pathways to help you find the best program

orientation for new students to assist with the transition to university life and study

a fun and engaging program of social and cultural activities

professional development, work experience and career opportunities

learning support, pastoral care and tutoring

access to financial support and a wide range of UQ and community scholarships

a range of accommodation options

student services tailored to your needs.

At UQ, we see you, welcome you, and celebrate you.

We embrace you for who you are and who you aspire to become.

Life at UQ

A photograph of three young adults sitting outdoors, smiling and talking. In the center is a young man with dark hair and glasses, wearing a maroon polo shirt. To his left is a young woman with long dark hair, wearing a blue patterned top. To his right is a young woman with blonde hair, wearing a dark blue patterned top. They are all looking towards the right side of the frame. The background is a soft-focus outdoor setting with green foliage.

Experience the electricity of a live concert, get your heart racing on the footy field, relax under gently swaying palm trees, watch the jacaranda flowers fall in little bursts of purple...

Life at UQ can be exhilarating one moment, then quiet and calm the next. It's full of excitement, new experiences and adventures, but there are also those pockets of stillness between classes, exams and events where you can stop and take a deep breath.

Your life at UQ can be as busy or as still as you make it. One thing is for certain, though: there are plenty of ways to make it about more than just study.

Arts and culture

Socialise, share, create, connect. Remember, university is also about having fun and meeting new people. And some of the best ways to do this are through entertainment, art, culture and music.

Visit life.uq.edu.au to discover what's on at UQ.

Join clubs and societies

UQ Union has more than 220 clubs and societies to cater for everyone, from Harry Potter fans to robotics experimentalists. Find your crew, pursue your hobbies or try something new.

Visit uqu.com.au/clubs-societies to explore your options.

Attend festivals

UQ's campuses hold festivals throughout the year to celebrate the changing seasons and major cultural events. See the grounds awash in purple during the hugely anticipated BLOOM festival, join the liveliness of Diwali celebrations, and get amongst captivating conversations and demonstrations during NAIDOC week.

Experience live music

From indie to orchestral, music can be a big part of your time at UQ. Soak up some live entertainment at the Redroom at St Lucia, or attend an all-ages concert organised by UQ Union throughout the year. From touring acts to local musicians, student bands and classical concerts, there's something to suit everyone's musical tastes. You can also join UQ music ensembles.

Immerse yourself in art, history and theatre

UQ has 5 museums with a large and fascinating collection of art and artefacts, and rotating exhibitions. Delve into history, interact with installations and support student artists. UQ campuses also host live theatre performances during the year, where you can catch a student play or other professional productions as part of various festivals.

Connect over food

Whether it's meeting friends for a coffee, heading to the bar for a snack and trivia, or exchanging dishes that remind you of home, there are plenty of places on campus to connect with other students over a shared love of food. Join other green thumbs in the community garden, participate in a baking competition or take a cooking class.

Find spaces to chill

UQ has plenty of beautiful indoor and outdoor spaces designed for relaxing with friends. Enjoy a picnic by the picturesque UQ Lakes, find a quiet nook in one of the many libraries, or grab your bike for a morning ride around campus.

Sport

There's nothing quite like the solitude of a morning swim, the camaraderie of training through rough weather, or the exhilaration of scoring that final goal just before the buzzer sounds.

When it comes to keeping fit, healthy and happy while you study, UQ has you covered. Achieve your personal best with a wide range of sports and activities to choose from and more than 35 sporting clubs across the St Lucia and Gatton campuses.

Whether you're a social player or a top athlete, we've got something to keep you moving.

Facilities

UQ Sport is home to some of Queensland's finest sport and recreation facilities. Here you'll find athletics, aquatic, tennis and fitness centres, as well as a selection of grass and synthetic playing fields and indoor and outdoor courts.

Competitive sport

There's a huge array of sporting competitions for you to get involved in at UQ. With leagues and tournaments in tennis, AFL, netball, hockey, soccer, rugby union and more, you can participate in a range of competitions, going head to head with fellow UQ students, residential colleges or other universities.

Social sport

Prefer a more casual approach to sport? Social sport is a great way to meet new people and stay active. With netball, touch football, soccer and basketball to choose from, you'll find your new teammates in no time.

Fitness

UQ offers plenty of fitness classes and equipment for you to utilise in both group and solo settings. Join a regular yoga, Zumba or HIIT class, or head to the gym and make use of three levels of top-notch equipment for cardio and strength training. Prefer the water? We also offer a range of aquatics classes, with options available for all levels of experience.

Elite athletes

UQ supports more than 200 student-athletes, including Olympians, Paralympians, and Commonwealth Games and professional athletes. UQ's Elite Athlete Program aims to equip student-athletes for success now and in the future by delivering a holistic approach to athlete support and providing access to a range of personal and professional development opportunities and resources.

There are also a number of UQ Sporting Scholarships awarded to exceptional student-athletes each year.

These scholarships support athletes from a range of sports in balancing their studies with the demands of elite-level sport.

Visit:
uqsport.com.au
to discover how you
can get active at UQ.

Giving back

Make meaningful use of your time outside of study by giving back to the UQ and broader community. Motivate others to pursue their dreams by sharing your own experiences as a mentor, volunteer for a worthy cause, or use your voice to represent your fellow students. Empower others, make an impact and embrace university life.

Volunteering

Build your skills and extend your professional and personal network while contributing to a worthy cause. UQ can help you find local volunteering opportunities and link you with external organisations both within Australia and worldwide. Whether you want to help out around campus with events or volunteer in humanitarian aid overseas, we can get you connected.

Mentoring

Share your lived experiences for the benefit of others to help create a supportive UQ community.

With one-on-one and group mentoring opportunities available on an ongoing or short-term basis, your mentoring can be flexible to work around your study.

Help high-school students pursue their career aspirations, assist UQ's diverse community to practise their English language skills, or guide fellow students to improve the quality of their assignments and develop their academic writing skills.

Student representation

Are you a strong communicator and problem solver? Amplify the student voice through active engagement on committees, boards and advisory groups at UQ. Student representatives work closely with staff members in a positive and mutually respectful way to proactively shape and impact decision-making to enhance the student experience.

Student-staff partnerships

Create change in the UQ community by working with staff to achieve mutually beneficial outcomes. Student-staff partnerships aim to create a cultural transformation at UQ, allowing students and staff to connect as equal partners and collaborators on projects that enhance the UQ community. In the past, staff and students have worked together to improve course structures and content, transform online learning experiences, and enhance accessibility to health and wellbeing resources and services.

Visit:
life.uq.edu.au/get-involved
to see how you can
create change.

Entrepreneurship

Imagine launching your own company before you even graduate. For many UQ undergrads, this is their reality.

Here at UQ, we pride ourselves on the entrepreneurial spirit of our community. We encourage our students to be bold and adventurous. Supporting young people's startup ideas might seem risky, but we believe it's the first step towards creating meaningful change.

Our students are the leaders of the future.

VENT
Entrepreneur

UQ students have created:

A propulsion system that will help small satellites move in space.

A subscription diabetes service to ensure people living with diabetes never run out of medical supplies.

Headphones for people with hearing loss by using a combination of advanced audio technology.

And that's just the tip of the iceberg. If you have ideas, we want to hear them. If you've got ambition, we want you to pursue it.

VENTURES

Entrepreneurship at UQ

Ventures

We encourage every student to get involved with the Ventures entrepreneurship community. All programs are free for UQ students across all disciplines and study levels. By taking part, you'll get to develop your entrepreneurial mindset, connect with like-minded students and create your own path. Programs are complemented by a wide range of events and competitions throughout the year, including hackathons, industry events, alumni get-togethers, workshops and pitch nights.

Curious about where Ventures can take you?

You'll find the people, tools and opportunities to help bring your ideas to life. There's support at every stage of your Ventures journey – from flexing your creative muscles to launching a startup.

Introductory

Gain the capabilities and mindset to innovate like an entrepreneur. Our introductory programs will help you get inspired, learn core entrepreneurial capabilities, immerse yourself in UQ's community of entrepreneurs, and gain the confidence to take your first steps in your Ventures journey.

Intermediate

Put your knowledge into practice by solving real industry problems. Challenge your ideas and make them a reality by applying your new-found entrepreneurship capabilities to our intermediate program offerings. Test and validate the fit between your ideas and market needs while developing a sustainable business model for your product or service.

Advanced

Gain global connections and support to launch your own startup. Become a global thinker and learn from the world's most innovative startup hubs. Ventures **Startup AdVentures** are 4-week intensive global learning experiences (virtual and in person) in Cairns, Vietnam, San Francisco, China, or Singapore.

Scaling your impact

Once you're ready to launch your startup, we can help you get it off the ground.

The **ilab Accelerator** supports students, researchers and alumni through the early stages of business development by providing seed funding and mentoring so they can scale their business or social enterprise.

UniQuest, UQ's commercialisation company, has created more than 100 startups while licensed UQ technologies have generated more than US\$47 billion in gross product sales.

Visit:
ventures.uq.edu.au to see
how you can get involved.

Health and wellbeing

Health and wellbeing are essential to the UQ student experience. With a healthy mind and body, you're prepared to tackle any challenge and conquer any obstacle.

During your time at university, you may find yourself needing sound advice, practical strategies for coping, physical and emotional support, or just a friendly face to talk to. UQ's comprehensive health and wellbeing services cover physical, sexual, spiritual and mental health. You can seek them out for everything from managing stress and anxiety to filling out a routine medical prescription.

We also have a range of one-on-one and group programs, activities, events and initiatives to encourage positive behaviours and habits that will set you up for success in your studies.

We're here to support you in all aspects of your new-found student life.

Discover
our full range of health
and wellbeing services.

Support services

Healthcare

UQ Health Care is a general practice specialising in the physical and mental wellbeing of students and staff. Additional services include sexual health, travel medicine, immunisations and skin checks. Find UQ Health Care at the UQ St Lucia Medical Centre, the Pharmacy Australia Centre of Excellence and the UQ Gatton Medical Centre, or visit uqhealthcare.org.au to discover all their available services.

Counselling

UQ provides counselling services for students, including 10 free counselling sessions each year. Appointments can be arranged face to face, via phone or video call, or by joining a group session. We also offer specialist sexual misconduct support.

Resources

We provide a wide range of self-help health and wellbeing resources for our students. From recognising the signs of anxiety, to managing sleeplessness and stress, there are helpful tips and strategies students can implement daily to improve their overall wellbeing. We also provide a full suite of information on sexual health, including facts, referrals and advice.

Workshops and events

From mindfulness meditation and yoga, to promoting wellbeing through art, UQ hosts a variety of workshops throughout the year to help students improve their wellbeing. We participate in a range of health awareness weeks and days, including Mental Health Week, Women's Health Week and R U OK? Day. During exam time, we engage with local animal charities to bring puppies to campus for cuddles to help ease stress and anxiety.

Safety on campus

We are proactive about safety across all our campuses. Students can use the free after-hours safety bus at St Lucia or contact security to request a safety escort to their car or public transport. Our campuses also have emergency call points, and security personnel regularly patrol the area to ensure the safety and security of everyone on campus.

Learning Advisers

Whether you want to build on your existing performance or focus on a particular area of challenge, Learning Advisers are a crucial resource for undergraduate and postgraduate students on their journey to greater success. Our Learning Advisers work one-on-one with students to ensure they have access to the materials and resources they need for academic success. They run a multitude of workshops and drop-in sessions, and their resources are available on Blackboard and on their study skills webpage.

SafeZone app

UQ SafeZone is a free smartphone app that connects staff and students with Security and emergency services during a first-aid or emergency situation on UQ campuses and sites.

Spiritual practice

We appreciate that for many of our students, wellness of mind, body and spirit is strongly connected to faith. The UQ Multi-Faith Chaplaincy is an inclusive and welcoming space for students, staff and the community to share faith, traditions and spiritual practices. We have several chaplains who provide pastoral care, support, spiritual conversations, learning and events.

Find out more

Learning at UQ

Our teachers have a real passion for helping their students reach their full potential. They also happen to be the most awarded university educators in the country, recognised for transforming the way students learn.

It's not just about what you learn, but how you learn. You're going to need problem-solving skills, a growth mindset, creativity and adaptability in your future. That's why our teachers embed these skills into your everyday studies.

You'll graduate with the knowledge and know-how for your industry of choice, as well as the capabilities and mental prowess that will help you thrive in any environment.

Our teachers are experts

Our teachers write the texts that are used for teaching. They produce research papers every year, contribute to international conversations in their fields, and their work appears in the media and influences government policy. This knowledge is brought into the classroom so you can address the latest issues, ideas and challenges with their guidance and support.

Academic support

Set yourself up for academic success with guidance and support from our academic support team, covering topics such as:

- academic writing
- time management
- learning and exam preparation
- appointments with Learning Advisers.

Courses for the future

We design our courses in consultation with learning design teams to maximise your employability when you graduate. Our teachers also consult students in their decision-making and planning processes to ensure course material is exciting, fresh and transformative. This means you can personally play a role co-designing coursework alongside the best educators in Australia.

Practical learning

Our world-class facilities provide the perfect place to develop your skills and expand your knowledge, but so much of your learning at UQ will happen outside the classroom. From work placements and projects to industry workshops, fieldwork, studio time and global exchanges, you'll have access to many opportunities during your studies to apply what you learn in a range of practical settings.

UQ has received more awards for university teaching than any other Australian university.

“One of the things that’s special about UQ is how ambitious and collaborative this community is. There’s a huge contingent of academics who are absolute experts in their field who know a huge amount about a whole range of specific things. It leads to this culture where students have this great collaboration with academics and other powerhouses of innovation at the University.”

Tom Bizzell

Bachelor of Commerce /
Bachelor of Laws (Honours) student

Our facilities

UQ is famous for its beautiful campuses, and these are home to the kind of cutting-edge resources and facilities that draw the best and brightest from around the world.

We continually evolve and transform our spaces, so we're always at the forefront of technology and best practice.

We have everything you would expect from a prestigious university – libraries, study nooks, industry-relevant equipment, makerspaces, studios and labs. But we also have all the facilities of a world-class city – museums, parklands, lakes, community gardens, greenhouses, solar farms, retail and medical facilities, farms and harvest facilities, vet hospitals, gyms, sports facilities, kindergartens, and homes.

UQ is more than a place to study. It's a thriving community bursting at the seams with ambition and possibility.

Ready for any future

Some universities prepare you for your first job. At UQ, we want to ensure you're ready for any possible future. That's why we focus on empowering you with the techniques and capabilities to help you navigate the world with certainty and confidence.

Employability

Our approach to employability goes beyond simply getting a job. We focus on how you can develop abilities and mindsets to perform effectively in the workplace, create new opportunities, make an impact, and succeed in whatever path you choose. We have dedicated employability teams across UQ who can empower you to graduate with a full suite of career capabilities.

Workplace learning

Internships, placements and networking will be part of your study experience at UQ. Learning in real workplaces gives you the opportunity to put your learnings into practice while discovering what it's like to work day-to-day in your industry. It's also the perfect way to grow professional connections before you graduate.

Mentoring

With one-on-one, small group and peer community options available, our mentoring programs give you valuable leadership and guidance through all stages of uni and beyond. Whether you're getting advice about how to settle into uni life, developing professional connections or creating work opportunities, connecting with a mentor — or becoming one yourself — will help you build impactful relationships.

Volunteering

Build your skills and extend your professional and personal network while contributing to a worthy cause. UQ can help you find local volunteering opportunities and link you with external organisations both within Australia and worldwide.

**UQ is #1 in Queensland
for graduate employability**

prepare you for your future.

Careers Service

Our award-winning Careers Service can help you plan your career, develop your capabilities and gain that competitive edge. We offer workshops in finding work, networking, writing résumés, applying for jobs, interviewing skills and presentation techniques.

Career portals

UQ offers an exclusive online job board for students and graduates featuring vacation work, volunteer work, internships and graduate employment opportunities from more than 3,000 employers. Our Global Grad careers search portal is just for international students, with Australian and international companies posting work opportunities regularly.

Employer events and expos

With multiple employability events throughout the year, you can speak with employers from a diverse range of industries and backgrounds to find the right job for you. Most employers offer roles in graduate recruitment programs, and some offer vacation work, internships, work experience, scholarships and co-op programs.

Employability Award

The Employability Award gives you the chance to build capabilities that future employers value, such as leadership, teamwork, communication, problem solving and cultural awareness. To qualify for the award, you must complete 100 hours of work experience, 100 hours of volunteering and 5 supplementary activities, then communicate your potential through an application process. It's free to join and you can register at any stage of your studies.

Our free online course

EMPLOY101x will help you unlock your career potential and market yourself to employers.

Visit:

edx.org/course/unlocking-your-employability to find out more.

Postgraduate programs

Set yourself on the path to success with a postgraduate degree from one of the world's most highly regarded universities. When employers see a UQ degree on your resume, they know you've got what it takes to deliver value and hit the ground running.

Postgraduate coursework programs

Postgraduate coursework programs are available in durations of between 6 months and 4 years of full-time study. Most of them will contain core courses that you must complete, and elective options. You may even have the opportunity to conduct a research project or thesis. Some programs also allow you to select a field of study and specialise further within your postgraduate studies. Each course at UQ is generally worth 2 units and to be awarded your postgraduate degree, you will need to complete the specified total number of units for your program. This number can vary depending on the program but generally stick to the following guidelines:

- Graduate Certificates — 8 units
- Graduate Diplomas — 16 units
- Masters — 16 to 32 units
- Doctorate (by coursework) — 64 units

Undergraduate Diplomas

If you need to meet entry requirements for a Masters program, you could consider undertaking a Diploma in Science or Diploma in Arts at UQ. These 16-unit programs give you an opportunity to broaden your knowledge or undertake required study before applying for your Graduate Certificate, Graduate Diploma, or Masters.

Research Extensive Programs

Some postgraduate programs at UQ offer Research Extensive options where you will be able to undertake an advanced research project as part of your coursework Masters program. These programs have a focus on developing your research and industry skills and can form a good pathway towards higher degrees by research. You may also find smaller research projects offered throughout many of our postgraduate programs.

Visit:
study.uq.edu.au for
detailed information on
all of our postgraduate
coursework programs.

**SCHOLARSHIPS
AVAILABLE**

Full-time study

An academic full-time load is 8 units per semester in most programs. A student completing 75 per cent or more of standard academic workload for a program (i.e. enrolled in at least 6 units per semester, or 3 to 4 courses for most programs) will also be eligible for full-time study benefits, such as reduced pricing on public transport.

Study load

A standard study load is 8 units per semester, which is usually 4 courses. Most postgraduate programs allow you to determine your own study load. You may choose to undertake anywhere from one to 4 courses per semester, depending on your schedule. In some programs you will need to seek approval from your school staff to alter your study load. This will be made clear in your program rules.

Courses (subjects)

A course is a distinct unit of study within a program. Each course is identified by a code, title and unit value. Courses are usually completed in one or 2 semesters and most are worth 2 units; however, some have higher workloads and may be worth 4 or 8 units.

Course choice

Course selection varies depending on your faculty and program. Some programs have compulsory (core) courses only; others may allow a restricted choice within categories. Others may offer an extended range of courses (electives) and/or you may have to undertake research projects. Check the requirements of your program.

Delivery mode

Some postgraduate programs at UQ are available online. These programs are referred to as “External”. Within some programs there may be individual courses that are available in an External delivery mode, however, this does not mean that the entire program can be completed online. If you are in need of virtual study options, keep an eye out for the “External” descriptor on the program itself.

Other programs are delivered in “Intensive” blocks. These are usually full weeks of class in which all content and most of the assessment for the course are completed. This leaves the rest of your semester time free and can minimise the impact of classes on your weekly schedule.

Master your future

UQ’s postgraduate coursework programs equip you with specialist knowledge, upgrade your qualifications, help you get promoted faster, or pave the way for a research career in a variety of industries or academia. Postgraduate coursework programs are similar to undergraduate programs in that you will attend classes, do assessments, and complete a required number of units to graduate.

Higher degrees by research

Doing a higher degree by research will allow you to explore your passions in depth while you contribute to the global knowledge base. The format of your research degree will be determined by you and your supervisors in consultation with the UQ Graduate School.

Applying to UQ

Follow these steps to apply to UQ and start on the path to your future.

STEP

1

Choose

Choose your program

- Read your program options (see pages 64–inside back cover).
- Visit study.uq.edu.au.

TIP: Check that you meet eligibility, merit and other entry requirements and meet any specific program deadlines.

To apply for the Doctor of Medicine, follow the Doctor of Medicine application process.

study.uq.edu.au/admissions/doctor-medicine

STEP

2

Apply

Find your admissions centre

- Some programs offer direct admissions via apply.uq.edu.au.
- Some programs will require you to apply via the Queensland Tertiary Admissions Centre (QTAC). The QTAC website will explain how to apply.

qtac.edu.au

STEP

3

Accept

Accept your offer

- Log in to the relevant application portal for your program.
- Accept your offer.
- Activate your UQ student account.
- Got to my.uq.edu.au/starting-at-uq and follow the instructions.
- Get excited about starting at UQ!

STEP

4

Enrol

Enrol in courses

1. Access your program rules and course list at my.uq.edu.au/starting-at-uq.
2. Choose your courses at my.uq.edu.au/programs-courses.
3. Enrol online at sinet.uq.edu.au.
4. Select preferred class times via My Timetable (in my.UQ portal).
5. Pay fees (see page 24).

STEP

5

Prepare

Prepare for Week 1

- Complete the steps at my.uq.edu.au/starting-at-uq.
- Attend a Getting Started session.
- Check if you need to attend any program sessions before Orientation Week.
- Pick up your student ID card.
- Get answers to your questions by emailing starting@uq.edu.au.

STEP

6

Let's go!

Get ready for the ultimate university experience

- Orientation Week – get your first taste of #uqlife with fun-filled events.
- Connect Week – join the social scene, make new friends and link in with your academic circle.
- Instagram (@Uniofqlld) or Snapchat (Uniofqlld) your UQ experience to your friends.

Admission information

What you need for admission to UQ

Depending on the postgraduate program you may be able to gain admission based on your academic background, work experience, or a mixture of both.

This is a snapshot of common admission information; however, it is not exhaustive. For further information, visit bit.ly/uq-admission-information.

Applying based on prior study

For most programs, you'll need to have completed an approved degree equivalent to an Australian bachelor's degree. Where prior study in specific fields is required, the UQ postgraduate program you are applying to will contain content with an assumed level of knowledge in those fields. If no specific fields of study are required, the program entry requirements will ask for "a bachelor degree in any field". These programs are open to graduates of any bachelor degree and will not contain assumed field-specific knowledge.

When you are applying for a postgraduate program based on your undergraduate study, you will need to supply copies of your transcript and award from your previous study.

If your transcript or qualifications are not printed in English, you will need to get them professionally translated prior to submission.

Applying based on work experience

Some postgraduate programs will allow you to apply based on your work experience in an industry related to the program. When you apply based on work experience you will need to provide documentation confirming the duration of your employment in relevant roles, and the duties you performed.

Documents normally submitted include, but are not limited to; a resumé or CV, references from supervisors or employers, or statements of employment.

Apply for a scholarship

Make your UQ experience more affordable with the support of a scholarship. You may think you're not eligible, but you might be surprised.

University-wide scholarships

UQ has a range of scholarships designed to attract, reward and support students from all walks of life. Our scholarships develop and encourage tomorrow's leaders and offer support to students who might not otherwise be able to attend university.

Equity scholarships

UQ strongly believes all students deserve equal access to education. Equity scholarships are designed to support students from low socio-economic, disadvantaged or under-represented backgrounds.

Residential scholarships

The UQ Residential Scholarship scheme supports students from low socio-economic or disadvantaged backgrounds, and those from regional and rural areas, to secure student accommodation while they study at UQ.

Indigenous scholarships

At UQ, we don't want anything to stand in the way of Indigenous students pursuing university education. The Aboriginal and Torres Strait Islander Education Scholarship scheme offers a range of scholarships to support your studies and help you thrive.

Study area scholarships

Many scholarships are offered for certain academic disciplines. These scholarships might be for students enrolled in a specific degree, school or faculty, or for students who are researching or studying a particular topic.

scholarships.uq.edu.au

Employability

UQ offers a variety of grants and loans to help you participate in a range of enriching international and domestic experiences that will enhance your employability.

employability.uq.edu.au/financial-support

Sporting

Elite athlete support

UQ is an elite athlete-friendly university, supporting more than 200 elite-level student-athletes to manage their sport and studies. Dedicated UQ Sport staff, in partnership with UQ, provide academic liaison support to negotiate flexible options for enrolment, assessment and course-related needs.

uqsport.com.au/scholarships

“Getting the scholarship definitely eased the financial stress of moving to Brisbane to begin my tertiary studies. I felt like a huge weight was lifted from my shoulders. I’m able to concentrate on my studies a bit more and put that extra effort into getting the results I want.”

Nathan Sagigi

Bachelor of Clinical Exercise Physiology student and Geoffrey Huey Sattler Indigenous Scholarship recipient

Get in early

Scholarship applications close at different times throughout the year – plan your applications and apply early so you don't miss out.

scholarships.uq.edu.au

Plan your finances

University is a valuable investment in your future. Knowing what it costs will help you manage your money.

Fees and costs

Course fees and student contributions

Some postgraduate places for domestic students at UQ are funded partly by the Australian Government (Commonwealth support) and partly by you (student contribution). Commonwealth Supported Places are finalised later in the year than our full fees. We suggest you check back to our website to confirm at study.uq.edu.au. Some programs may not have Commonwealth support available and will need to be funded entirely by your student contribution. Learn more about eligibility for CSPs at study.uq.edu.au/CSP.

From 2024, fees will be charged on a per unit rate based on the program you are enrolled in. Indicative annual fees are listed with each program on our Study website to help you plan your expenses.

If you're an Australian or eligible New Zealand citizen, or an Australian permanent humanitarian visa holder, you may also qualify for the Higher Education Loan Program (HELP) to defer payment of your student contribution and Student Services and Amenities Fee (SSAF).

Eligible UQ students can access HELP loans depending on the availability of Commonwealth support for their place. Learn more about eligibility for CSPs. studyassist.gov.au/help-loans

International students pay full tuition fees.

If you have a Commonwealth supported place, your student contribution amount depends on the fee band level of the courses you choose.

Student Services and Amenities Fee

The Student Services and Amenities Fee (SSAF) is a compulsory fee that provides non-academic services for students, such as support services, advocacy, study skills, career development and employability.

The SSAF was capped at a maximum of \$326 for 2023 and is calculated based on your mode of attendance and study load. The fee is indexed annually.

bit.ly/uq_ssaf

Keeping your costs down

- Investigate the financial support and fee payment options offered by Centrelink. servicesaustralia.gov.au
- Explore the scholarships on offer (see page 23).
- Enjoy UQ Union's free and low-cost entertainment and activities, such as Morning Marmalade and Kampus Kitchen. uqu.com.au
- Get concessions and student discounts at participating retailers and institutions with your UQ student card.

Our campuses

If you want the full university student experience, you can't go past UQ's beautiful, spacious campuses. Our campuses are lovingly and cleverly designed, have strong connections to Queensland's history, and they're built just for you — our future students and future change makers.

UQ has 3 campuses in and around Brisbane focused on teaching and learning, as well as an impressive array of research facilities across Queensland.

- St Lucia is our largest and main campus in Brisbane, where most of our programs are taught.
- Gatton is our rural campus, located about an hour from Brisbane, where our agriculture, plant and veterinary sciences students learn.
- Herston, located just 5km from Brisbane's CBD, is our specialist campus for health and medical teaching and research.

Our campuses are certainly built for convenience and sustainability, but they're also built to encourage excellence and inspire greatness. They're more than a bunch of buildings fit to serve practical purposes. There's a little bit of magic when you walk through the sandstone cloisters in the afternoon light, when you breathe in the smell of hay and horses and dewy grass in the morning, or when you stand still in the bustling, light-filled corridors and take in the atmosphere of something bigger than yourself.

We want you to experience that little bit of magic every day.

Travel options to UQ campuses

	UQ ST LUCIA	UQ GATTON	UQ HERSTON
	7km from the CBD	5km from Gatton CBD 1 hour from Brisbane 30 mins from Toowoomba	5km from the CBD
	10+ direct bus routes One arrives every 2 mins at the UQ Lakes bus stop	4+ free inter-campus buses daily	2 mins to Inner Northern busway from the CBD
	5+ train stations within 4km	Rail-bus service runs between Brisbane and Gatton	3+ train stations within 2km
	15 mins between each ferry

Agriculture, animal and food sciences

Agricultural experts are needed to help sustainably feed, fuel and clothe our growing global population. Join the next generation of farm, fibre and food entrepreneurs by studying with a global leader in agriculture. We offer first class programs in agriculture, agribusiness, food, plant, soil and animal sciences. Learn from world-leading academics who are closely connected to industry and government, and enjoy access to our extensive specialist research facilities. Our hands-on learning approach offers practical experiences such as field visits, laboratory practicals, industry placements, and independent research projects.

Environmental management

Learn from Australia's leading environmental experts in programs that combine your scientific knowledge with the legal, political and social aspects of conservation and environmental management. Gain practical skills to understand and manage our changing planet through industry placements and extensive fieldwork experiences in a diversity of ecosystems, including World Heritage rainforests, the Great Barrier Reef, island research stations and outback Australia.

Our programs can lead to careers in:

- Agribusiness
- Agronomy and horticulture
- Animal production
- Animal health and welfare
- Business and government
- Crop and pasture production
- Ecotourism
- Environmental management
- Environmental science
- Farm management
- Food and fibre production
- Herd management
- Land management
- Livestock management
- Marine management
- Natural resource management
- Parks and recreation facility management
- Sustainability management
- Veterinary practice
- Wildlife and nature conservation

PROGRAM CODE 5609

Architecture, Design and Urban Planning

Architecture / Built Environment

Top 100 in the world

QS World University Rankings
by Subject 2023

Our Regional and Town Planning program is accredited by the Planning Institute of Australia

Addressing world issues

Our outlook is international. We engage with climate, geographic and social conditions in our design and planning to come up with practical solutions to common problems. We help to advance knowledge of the issues affecting our physical environment like climate change, urbanisation and natural resource management.

Helping you succeed

Our programs give you the skills and qualifications to create spaces that matter. You will be taught by a mix of internationally renowned scholars, experienced practitioners and talented architects. Courses are designed around studios where students can explore their interests in a collaborative environment.

We make sure you get hands-on experience in community-based projects with real clients, so you know what it takes to succeed as a professional.

Our programs can lead to careers in:

- Architecture
- Commercial and industrial development
- Environmental management and monitoring
- Heritage and conservation
- Infrastructure planning
- Land-use planning
- Planning law and practice
- Policy and innovation
- Product development
- Regional development
- Resource management
- Social planning
- Spatial planning
- Tourism and transport
- Town planning
- Urban design
- UX design

Facilities

include architecture, design and planning studios, maker spaces, campus and CBD study and exhibition spaces, and computer labs.

in Australia.

Think differently

By studying arts, communication, humanities and social sciences you will learn to think differently and use your understanding to shape the future you want for yourself and your world, no matter which career you pursue.

Our graduates are essential for a sustainable, ethical and inclusive society. They embrace curiosity, daring to think bigger and broader to understand the world — then make it better.

Take the opportunity to indulge your interests in new and exciting fields and find your passion and purpose. Our award-winning research supports the ideas of stronger communities, social inclusion, sustainable development and international engagement.

Our programs can lead to careers in:

- Advertising
- Art galleries and museums
- Conducting
- Crime prevention
- Customs and immigration
- Digital communications and marketing
- Diplomacy and foreign affairs
- Environmental protection and management
- Event coordination
- Festivals and events
- Film, television and radio
- Foreign affairs
- Human resource management
- Humanitarian services
- Information management and technology
- Interactive multimedia design
- International development
- International relations
- Journalism
- Marketing
- Media and entertainment
- Mediation and dispute resolution
- Music composition
- Music industry positions
- Music teaching
- Music therapy (with further study)
- Music writing and reviewing
- Politics
- Public affairs
- Publicity and public relations
- Publishing
- Recreation and leisure
- Social media strategy
- Social services
- Sociology
- Translation and interpreting
- Travel and tourism
- Writing

Our vision

is to teach you how education has changed and prepare you for the future of learning.

Study with our international award-winning lecturers who will teach you flexible and creative ways to cater for the diverse learning needs of children and young adults.

Making a lasting impact

Whether you want to begin your journey as a teacher or further develop your career in education, UQ offers programs that will forge your path to the most important and influential profession in the world — impacting the next generation.

Join the teachers of tomorrow — those passionate about inspiring students' love of learning. Our primary and secondary teacher preparation programs are accredited, and graduates are eligible for teacher registration in Queensland and beyond.

Broaden your career options and strengthen your leadership skills with a Master of Educational Studies. With 7 fields of study in which you can specialise — Behaviour Support; Curriculum; Guidance, Counselling and Careers; Leadership; Psychology Education; Science of Learning; and Supporting Diverse Learners, your learning will extend beyond the classroom into industry, media and community settings. This diverse career will focus on building flexible and creative ways to improve education for the future.

Our programs can lead to careers in:

- Curriculum development
- Education leadership
- Educational research
- Guidance and career counselling
- High school teaching
- Language teaching
- Mentoring
- Music teaching
- Primary school teaching

Upon application you must complete an online questionnaire to meet the non-academic eligibility requirements for teacher entry (NARTE).

- This is a teacher preparation program for students who already have a degree.

PROGRAM CODE 5685

Why be a teacher?

Teachers are in high demand

Queensland is expected to experience a 12.5% increase in demand for teachers by 2025, creating over 10,000 new jobs.

Data is provided by Jobs Queensland.

A balanced lifestyle

As a teacher you'll enjoy an enviable worklife balance, with guaranteed holidays and the flexibility to move locations depending on where your future takes you.

Inspire the next generation

Teachers become influential in their students' lives, inspiring their love of learning and motivating them to achieve their personal best every day.

Endless career opportunities

Your career doesn't stop in the classroom. With further study, you also have the option to progress into a variety of leadership roles.

Teaching is a challenging but incredibly rewarding career. The impact you can have on our future generation is second to none. With excellent job security and a plenitude of vacancies, now is a great time to consider a career in teaching. UQ's teaching programs are recognised internationally and teachers are in high demand globally.

Solving problems

For us, it starts with the spark. That craving you have to solve problems. It could be anything — protecting the planet, reimagining urban infrastructure, improving cyber security, or creating uncomplicated human-centred digital products. As long as it's there, we'll help you explore it — by encouraging your intellectual boldness, honing your skills and bringing out your capacity to lead others towards positive and impactful change.

Innovation

You will be taught by a mix of internationally renowned lecturers, industry professionals and leading researchers. Our programs focus on developing your understanding of the business environment so you can make better decisions in class and in your professional career. By the time you graduate, you'll possess a distinct blend of creative and practical abilities, where every decision you make is ingrained in sustainability — and benefits people and communities all over the world.

Our programs can lead to careers in:

- Aerospace engineering
- Augmented reality design
- Biological engineering
- Biomedical engineering
- Chemical engineering
- Civil engineering
- Computer engineering
- Cyber security
- Data science
- Design
- Electrical engineering
- Enterprise information systems
- Environmental engineering

				Bachelor's degree (or equivalent) which includes relevant discipline content		
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program		

PROGRAM CODE 5742

MASTER OF CIVIL ENGINEERING (PROFESSIONAL)

Acquire the expertise and technical abilities to open new career opportunities and empower people and infrastructure to adapt to a changing world.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINE
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	4-year bachelor's degree (or equivalent) in a relevant discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Civil engineering, structural engineering, or civil and structural engineering
				Bachelor's degree (or equivalent) which includes relevant discipline content		
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program		

PROGRAM CODE 5743

MASTER OF COMPUTER SCIENCE

Change is the only constant in the world of computing. If you're a computing professional looking to upgrade, update or deepen your knowledge of rapidly evolving technologies - this program is for you.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor's degree (or equivalent) in a relevant discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Computer science and software engineering
				Bachelor's degree (or equivalent) which includes relevant discipline content		
1 year (16 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor honours degree (or equivalent) in a relevant discipline	If your bachelor honours degree was not in computer science or software engineering, you must have successfully completed at least 16 courses with computer science and/or information technology discipline content in your tertiary studies. At least 2 courses must be at an advanced level in your final year of study.	
				Bachelor honours degree (or equivalent) which includes all of the relevant course content		

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5522

MASTER OF COMPUTER SCIENCE (MANAGEMENT)

Deepen your technical knowledge, develop critical thinking and problem-solving skills, and open up opportunities for advanced career paths in fields such as software engineering, interaction design, and data science.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor's degree (or equivalent) in a relevant discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Computer science and software engineering
				Bachelor's degree (or equivalent) which includes relevant discipline content		
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program		

PROGRAM CODE 5523

MASTER OF CYBER SECURITY

Study Cyber Security and go beyond traditional thinking. We bring together students from technology, business, mathematics, social science and law to offer an integrated learning experience, unique to UQ.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor's degree (or equivalent) in any discipline	Leadership field: 2 years of supervisory / management experience	Cryptography field: degree in mathematics, statistics, computer science, physics, actuarial science or information technology. Cyber criminology field: degree in sociology, criminology, criminal justice or crime science. Cyber defence field: degree in computer science, information technology, computer engineering, mechatronic engineering, electrical and electronic engineering, mathematics or software engineering.
				Graduate certificate or graduate diploma (or equivalent) in any discipline		
				A master's degree (or equivalent) in any discipline		
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program		
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor's degree (or equivalent) in a relevant discipline	Leadership field: 5 years of supervisory / management experience	Leadership field: degree in commerce, management, business, accounting, information technology, computer science, leadership.
				Graduate certificate or graduate diploma (or equivalent) in a relevant discipline		
				A master's degree (or equivalent) in a relevant discipline		

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5257

MASTER OF DATA SCIENCE

Become job-ready and prepared to tackle complex data science challenges and play a leading role in the future development of data science solutions globally.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor's degree (or equivalent) in relevant discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Information technology, computer science, statistics, mathematics, engineering, physics, actuarial studies
				Bachelor's degree (or equivalent) which includes relevant discipline content		
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program		
1.5 years (16 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor's degree (or equivalent) in a relevant discipline, with studies in at least 3 courses in mathematics, 2 courses in statistics or probability and 3 courses in computer sciences		

PROGRAM CODE 5660

MASTER OF ELECTRICAL ENGINEERING (PROFESSIONAL)

Prepare to solve global problems by advancing your skills and knowledge in electrical engineering.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINE
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	4-year bachelor's degree (or equivalent) in a relevant discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Electrical engineering, electrical and electronic engineering, electrical power engineering, electronic engineering (not electronic information engineering), telecommunication engineering, communication engineering, and power engineering
				Bachelor's degree (or equivalent) which includes relevant discipline content		
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program		

PROGRAM CODE 5744

MASTER OF ENGINEERING SCIENCE

Advance your engineering career and gain in-depth technical expertise in your field of choice. This program offers flexibility and customisation to align with your interests and career aspirations.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINE
1 year (16 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	4-year bachelor's degree (or equivalent) in a relevant engineering discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Relevant disciplines depend on the field of study you intend to choose. More information can be found on the program's web page.
				4-year bachelor's degree (or equivalent) in engineering which includes relevant discipline content		

- Graduate Certificate also available.

PROGRAM CODE 5528

MASTER OF ENGINEERING SCIENCE (MANAGEMENT)

Our technical postgraduate program for engineers wanting to combine further studies in their field, with management or business.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINE
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	4-year bachelor's degree (or equivalent) in a relevant engineering discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Relevant disciplines depend on the field of study you intend to choose. More information can be found on the program's web page.
				4-year bachelor's degree (or equivalent) in engineering which includes relevant discipline content		

PROGRAM CODE 5530

MASTER OF INFORMATION TECHNOLOGY

Expand your career horizons and gain a competitive edge in the ever-evolving field of information technology. Explore current and emerging IT concepts and techniques, and enjoy flexible course options that allow you to tailor your studies to align with your career goals.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor's degree (or equivalent) in a field other than information technology, computer science, software / computer engineering, interaction design or multimedia design	Your bachelor's degree must not contain more than 5 information technology or computer science discipline related courses

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5581

MASTER OF INTERACTION DESIGN

Interaction designers play a vital role in creating digital products that are usable, uncomplicated, and human-centred. If you're looking to develop advanced knowledge about the design process for interactive products – this is the program for you.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor's degree (or equivalent) in a field other than interaction design, multimedia design, human computer interaction or user experience design	Your bachelor's degree must contain no more than one design or programming discipline related course

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5580

MASTER OF MATERIALS AND MANUFACTURING ENGINEERING (PROFESSIONAL)

Develop specialist knowledge in new and sustainable materials to meet the demands of the future and further your career possibilities.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINE
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	4-year bachelor's degree (or equivalent) in a relevant discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Materials engineering, materials science and engineering, or mechanical and manufacturing engineering
				Bachelor's degree (or equivalent) which includes relevant discipline content		
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program		

PROGRAM CODE 5745

MASTER OF MECHANICAL ENGINEERING (PROFESSIONAL)

Advance your career in the in-demand field of mechanical engineering, gain the knowledge and skills to excel in a range of industries, and open opportunities for employment both in Australia and overseas.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINE
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	4-year bachelor's degree (or equivalent) in a relevant discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Mechanical engineering, aeronautical engineering, aerospace engineering, mechanical and manufacturing engineering, mechanical and industrial engineering, mechatronic engineering, mechanical and automation engineering, and marine engineering
				Bachelor's degree (or equivalent) which includes relevant discipline content		
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program		

PROGRAM CODE 5746

MASTER OF SOFTWARE ENGINEERING (PROFESSIONAL)

Attain specialist knowledge and technical skills in software engineering to transform the way we live and work.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINE
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	4-year bachelor's degree (or equivalent) in a relevant discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Software engineering, computer science engineering and computer engineering
				Bachelor's degree (or equivalent) which includes relevant discipline content		
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program		

PROGRAM CODE 5747

MASTER OF SUSTAINABLE ENERGY

Gain the skills and knowledge to tackle global energy challenges and embrace the opportunities that come with the shift towards a low-carbon energy future.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor's degree or equivalent (in a relevant discipline)	3-5 years practical experience in a related field is preferred	Engineering, science, environmental management, economics, commerce, business, public policy, international development, energy, information technology, law, or architecture /design

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5684

MASTER OF SUSTAINABLE ENERGY (MANAGEMENT)

Become a highly skilled change agent, ready to deal with the complex trilemma of energy affordability, reliability and environmental sustainability.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			ENGLISH	YOUR CURRENT QUALIFICATION	RELEVANT DISCIPLINES
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	Bachelor's degree (or equivalent) in a relevant discipline Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program	Engineering, science, environmental management, economics, commerce, business, public policy, international development, information technology, energy, law or architecture / design

PROGRAM CODE 5708

MASTER OF URBAN WATER ENGINEERING (PROFESSIONAL)

Equip yourself with specialist knowledge and technical skills in urban water engineering to meet challenges in a changing world.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINE
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	Minimum, see the website	4-year bachelor's degree (or equivalent) in a relevant discipline Bachelor's degree (or equivalent) which includes relevant discipline content Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	Chemical engineering, civil engineering, environmental engineering, groundwater science and engineering, hydrology and water resources engineering, hydropower engineering, water conservancy engineering, water science and engineering, and water supply and drainage (science) engineering

PROGRAM CODE 5748

“I chose to study the Master of Sustainable Energy at UQ because the program acknowledges and encompasses the complexity of the challenges that lay ahead, and the multifaceted approach required to mitigate and adapt to climate change globally. My key areas of interest in the Sustainable Energy field include the decarbonisation of Australia’s national electricity market, decarbonised mobility and future fuels.”

Matthew Watson

Master of Sustainable Energy, graduate

Commitment to health

At UQ, we're committed to health in a big way. From the molecular to the macro, from the laboratory bench to the bedside and from biomedical to behavioural sciences, we seek to advance understanding, build better health services and make you a leader and innovator of the future.

Pathway to an exciting career

We offer one of the widest ranges of health study areas in Australia. A hands-on approach and cutting-edge research are built into our teaching, to prepare you for all types of care situations. We maintain close partnerships with major healthcare providers to inform our teaching, research and clinical engagement. Placements are important steps in your study program to expand your professional network, decide on your specialty and prepare for an exciting career.

Our programs can lead to careers in:

- Biomedical science
- Cardiac science
- Counselling
- Dentistry
- Digital health
- Disability support
- Embryology
- Environmental health sciences
- Epidemiology
- Exercise physiology
- Health and physical education
- Health promotion
- Health policy

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5759

MASTER OF MEDICINE (SKIN CANCER)

This online program will provide you with skills that support the diagnosis and management of skin cancer through a flexible structure that can fit around your existing schedule.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	APPLICATION CLOSING DATE
2 years (16 units, part-time only)	1 (19 Feb) 2 (22 July)	Online ^d	Higher-than-minimum, see the website	Bachelor's degree (or equivalent) in medicine	2 years full-time post-qualification clinical practice. You must have access to and have obtained any necessary permission for the use of appropriate and sufficient clinical cases in order to complete the program	Sem 1: 16 Jan (year of commencement)
						Sem 2: 16 Jun (year of commencement)

- Graduate Certificate also available.

PROGRAM CODE 5398

DOCTOR OF MEDICINE (GRADUATE ENTRY)

Our UQ Doctor of Medicine will provide you with a world-class medical education. You'll gain hands-on experience preparing you to work in any global setting.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			APPLICATION CLOSING DATE
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	
4 years (64 units)	1 (late Jan)	St Lucia, Herston, Clinical Units and Teaching Hospitals	Higher-than-minimum, see the website	Bachelor's degree (or equivalent), known as a key degree	<p>Applicants need to sit the Graduate Australian Medical School Admissions Test (GAMSAT) and achieve a minimum score of 50 in each section. Eligible applicants will be invited to participate in an online Multiple Mini Interview (MMI) based on their GAMSAT, GPA and places available. Offers for a place will be made based on the number of places available and the applicant's final ranking based on the combined score of MMI, unweighted average GAMSAT score and GPA. Students must have completed 2 subject prerequisites before commencing the program.</p> <ul style="list-style-type: none"> - GAMSAT must be completed within 4 years prior to the year of commencement. - The key degree and the 2 subject prerequisites must be completed within 10 years prior to commencing. <p>There are mandatory vaccination and compliance requirements for this program, see medicine.uq.edu.au/current-students/work-integrated-learning-wil-requirements</p>	The closing date for graduate entry applications via GEMSAS is in May. Interviews will be held in September

QUOTA PROGRAM

PROGRAM CODE 5740

MASTER OF MENTAL HEALTH

Develop the practical experience, knowledge, skills and attitude you'll need to thrive as a contemporary mental health professional.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS				APPLICATION CLOSING DATE
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	ADDITIONAL REQUIREMENTS	
1.5 years (24 units)	1 (19 Feb)	Herston	Higher-than-minimum, see the website	Bachelor's degree (or equivalent) in a health, social work or relevant discipline	1 year full-time (or equivalent) work experience in a mental healthcare setting	Master of Mental Health - Art Therapy has specific entry admission. See medicine.uq.edu.au/entry-requirements-master-mental-health-art-therapy	31 Oct - Art Therapy
				Bachelor's degree (or equivalent) in any discipline	2 years full-time (or equivalent) work experience in a mental healthcare setting		31 Jan - Psychotherapy
				UQ Graduate Certificate or Graduate Diploma in Mental Health	5 years full-time (or equivalent) work experience in a mental health setting		

- Graduate Certificate also available.

PROGRAM CODE 5151

MASTER OF NURSE PRACTITIONER

Take your nursing career to the next level and gain extensive clinical and theoretical knowledge, along with the specialist skills required for the expanded role as nurse practitioner.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS
2 years part-time (16 units)	1 (19 Feb)	External	Higher than minimum, see the website	Approved postgraduate qualification in a clinical field	Unrestricted license to practice as a registered nurse in Australia, and two years of full-time experience as a nurse in your clinical field. Please visit nmsw.uq.edu.au/master-nurse-practitioner for more

PROGRAM CODE 5677

MASTER OF NURSING STUDIES

Designed to prepare you to work as a registered nurse in Australia within 2 years. You'll learn to work effectively in interprofessional teams to promote quality health outcomes through safe and effective nursing practice.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS
2 years (32 units)	1 (19 Feb)	St Lucia	Higher-than-minimum, see the website	Bachelor's degree (or equivalent) with one university-level course in biological science, chemistry or physics	Before starting placement courses, you must obtain, and thereafter hold for the duration of the program, a current First Aid Certificate (including CPR) and Blue Card. You will also be required to provide evidence that you do not carry blood-borne transmissible viruses or tuberculosis (TB) and comply with a schedule of immunisations. Further details can be found on the Prepare for your Placement website: habs.uq.edu.au/current-students/prepare-for-your-placement

PROGRAM CODE 5491

MASTER OF OCCUPATIONAL HEALTH AND SAFETY SCIENCE

Graduate with the skills you need to meet industry demand for highly qualified OHS professionals and to work globally in remote, rural or urban regions, across all industries.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			GPA	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	4.0 on a 7-point scale	Bachelor's degree (or equivalent) in science, engineering or health sciences	Two or more first-year, university-level science courses that cover human anatomy, human physiology, organic chemistry, inorganic chemistry and/or physics

PROGRAM CODE 5558

MASTER OF OCCUPATIONAL HYGIENE

Graduate job-ready as a specialist occupational hygienist, working to create healthier workplaces.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			GPA	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	4.0 on a 7-point scale	Bachelor's degree in science, engineering or health sciences	Two or more first-year, university-level science courses that cover human anatomy, human physiology, organic chemistry, inorganic chemistry and/or physics

PROGRAM CODE 5738

MASTERS OF OCCUPATIONAL HYGIENE / OCCUPATIONAL HEALTH AND SAFETY SCIENCE

Graduate job-ready with the skills and knowledge to work as both an occupational health and safety professional, and a specialist occupational hygienist.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			GPA	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	4.0 on a 7-point scale	Bachelor's degree in a science, engineering or health sciences	Completed 2 or more first-year, university-level science courses that cover human anatomy, human physiology, organic chemistry, inorganic chemistry and/or physics

PROGRAM CODE 5739

MASTER OF OCCUPATIONAL THERAPY STUDIES

Build a rewarding career helping people overcome barriers that affect their participation in life.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			APPLICATION CLOSING DATE	QUOTA PROGRAM
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS		
2.5 years (40 units)	2 (24 July)	St Lucia	Higher-than-minimum, see the website	Bachelor's degree (or equivalent)	Completed university-level studies in human anatomy, human physiology, and introductory psychology	30 Apr (year of commencement)	

PROGRAM CODE 5147

MASTER OF ORGANISATIONAL PSYCHOLOGY

Learn about the complex dynamics that exist within workplaces and develop skills to foster employee wellbeing and organisational effectiveness.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			APPLICATION CLOSING DATE	QUOTA PROGRAM
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS		
2 years (32 units)	1 (19 Feb)	St Lucia	Higher-than-minimum, see the website	A 4-year bachelor's degree in psychology (minimum IIA honours) or equivalent 4-year APAC-accredited program. Applicants with non-Australian degrees must have their qualifications assessed by the Australian Psychological Society	Applicants must be eligible for provisional or if applicable, full registration with the Psychology Board of Australia. Please refer to the program's web page on study.uq.edu.au for the application requirements	30 Sept (year prior to commencement)	

PROGRAM CODE 5199

MASTER OF PHARMACEUTICAL INDUSTRY PRACTICE

Break into the pharmaceutical industry and get a competitive edge to succeed in your career by developing an in-depth understanding of all aspects relating to the pharmaceutical industry in both drug and device development.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			APPLICATION CLOSING DATE
			ENGLISH	YOUR CURRENT QUALIFICATION	RELEVANT DISCIPLINES	
2 years (32 units)	1 (19 Feb) 2 (22 July)	Pharmacy Australia Centre of Excellence	Minimum, see the website	Bachelor's degree (or equivalent) in a relevant discipline	Science, engineering, medical / biomedical science, health sciences, pharmacy or pharmaceutical science	Sem 1: 31 Jan (year of commencement)
				UQ Graduate Certificate in Pharmaceutical Industry Practice		Sem 2: 30 Jun (year of commencement)

- Graduate Certificate also available.

PROGRAM CODE 5703

GRADUATE CERTIFICATE IN PHARMACY PRACTICE

This industry relevant program will deepen your understanding of contemporary pharmacy practice and provide you with specialised skills to enhance your career opportunities.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			APPLICATION CLOSING DATE
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	
2 years (8 units, part-time only)	1 (19 Feb) 2 (22 July)	Online ¹	Higher-than-minimum, see the website	A bachelor of pharmacy or equivalent from Australia or New Zealand and completion of the Australian Pharmacy Examining Council requirements	All applicants must be eligible for registration as an intern pharmacist with the Pharmacy Board of Australia	Sem 1: 31 Jan (year of commencement)
						Sem 2: 30 Jun (year of commencement)

PROGRAM CODE 5533

MASTER OF PHYSIOTHERAPY

Take your career in physiotherapy to the next level through a master's program specialising in musculoskeletal or sports physiotherapy, or extend your study to obtain qualifications in both.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	APPLICATION CLOSING DATE
1.5 years (16 units, with both part-time and full-time components)	1 (19 Feb)	St Lucia, online	Higher-than-minimum, see the website	A degree in physiotherapy as well as 2 years full-time relevant professional experience and evidence of continuing professional education; or equivalent qualifications and experience. Entry is competitive based on GPA. Shortlisted candidates are required to undertake an interview	For the Field of Study component of the program (Year 2), students are required to hold limited registration or if applicable, full registration with the Physiotherapy Board of Australia, which includes by law the Board's English Language Proficiency requirements	Sem 1: 30 Nov (year prior to commencement)

PROGRAM CODE 5221

MASTER OF PHYSIOTHERAPY STUDIES

Build on your undergraduate degree and qualify as an accredited physiotherapist in just 2 years with the Master of Physiotherapy Studies.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS				QUOTA PROGRAM
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	APPLICATION CLOSING DATE	
2 years (40 units, intensive)	Summer (25 Nov)	St Lucia	Higher-than-minimum, see the website	Bachelor's degree (or equivalent) in a relevant discipline	You must have completed prerequisite courses in human anatomy and human physiology. Before starting placement courses, you must obtain, and thereafter hold for the duration of the program, a current First Aid Certificate (including CPR) and Blue Card. You will also be required to provide evidence that you do not carry blood-borne transmissible viruses or tuberculosis (TB) and comply with a schedule of immunisations. Further details can be found on the Prepare for your Placement website: habs.uq.edu.au/current-students/prepare-for-your-placement	31 Aug (year of commencement)	

PROGRAM CODE 5267

MASTER OF PSYCHOLOGY

Deepen your knowledge in a chosen area of specialisation and gain the practical training needed for a rewarding career as a practising psychologist. You may choose to specialise in counselling psychology, health psychology or sport and exercise psychology.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS				QUOTA PROGRAM
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	APPLICATION CLOSING DATE	
2 years (32 units)	1 (19 Feb)	St Lucia	Higher-than-minimum, see the website	An approved 4-year bachelor degree in psychology (I or IIA honours) or an equivalent 4-year program accredited by the Australian Psychology Accreditation Council (APAC). Applicants with non-Australian degrees must have their qualifications assessed by the Australian Psychological Society	Applicants must be eligible for provisional or if applicable, full registration with the Psychology Board of Australia. Please refer to the program's web page on study.uq.edu.au for the application requirements	30 Sept (year prior to commencement)	

PROGRAM CODE 5666

MASTER OF PUBLIC HEALTH

Develop and deepen your understanding of the core services and functions in public health. Prepare for a role as a public health professional and enjoy a rewarding career where you will make a difference to the health and wellbeing of populations in a changing and inequitable world.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES
2 years (32 units)	1 (19 Feb) 2 (22 July)	Herston, online	Minimum, see the website	Bachelor's degree (or equivalent) in a relevant discipline	One year full-time work experience in a healthcare setting	Behavioural and social sciences, biomedical sciences, biostatistics, counselling, dentistry and oral health, development studies, environmental health, epidemiology, exercise and nutrition science, exercise and sport science, food science, health economics, health management, health sciences, medicine and medical sciences, nursing, nutrition, occupational health and safety, occupational therapy, pharmacy, physiotherapy, psychology, public health, science, sociology, speech therapy, and veterinary sciences
				Bachelor's degree (or equivalent) in any discipline		
				A graduate certificate or graduate diploma (or equivalent) in a relevant discipline		

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5760

MASTER OF SOCIAL WORK (QUALIFYING)

Turn your passion for helping people and addressing social and community issues into a rewarding career with accredited qualifications in social work.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS
2 years (32 units)	1 (19 Feb)	St Lucia	Higher-than-minimum, see the website	Bachelor's degree (or equivalent) in a relevant discipline	At least one year of full-time (or part-time equivalent) demonstrated study in social and behavioural sciences

PROGRAM CODE 5767

MASTER OF SPEECH PATHOLOGY STUDIES

Expand your theoretical knowledge and professional attributes while gaining the clinical and research skills necessary for a professional career in speech pathology.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			APPLICATION CLOSING DATE	QUOTA PROGRAM 
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS		
2 years intensive (40 units, intensive)	Summer (27 Nov)	St Lucia	Higher-than-minimum, see the website	Bachelor's degree (or equivalent)	Before starting placement courses, you must obtain, and thereafter hold for the duration of the program, a current First Aid Certificate (including CPR) and Blue Card. You will also be required to provide evidence that you do not carry blood-borne transmissible viruses or tuberculosis (TB) and comply with a schedule of immunisations. Further details can be found on the Prepare for your Placement website: habs.uq.edu.au/current-students/prepare-for-your-placement	31 Aug (year of commencement)	

PROGRAM CODE 5228

MASTER OF SPORTS COACHING

Develop the knowledge and leadership skills expected in the world of high-performance sports coaching. Advance your career and master your craft as an innovative, well-informed sports coach.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS				RELEVANT DISCIPLINES	APPLICATION CLOSING DATE
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS			
2 years (32 units)	1 (19 Feb) 2 (22 July)	Online ¹	Minimum, see the website	Bachelor's degree (or equivalent) in any discipline	Current coaching qualifications endorsed by a recognised sporting body (e.g. a national sporting organisation) or equivalent and 1 year's coaching experience	Sports coaching, exercise and sport sciences, health and physical education	Sem 1: 31 Jan (year of commencement) Sem 2: 30 Jun (year of commencement)	
				A current coaching qualification endorsed by a recognised sporting body (e.g. a national sporting organisation) or equivalent	5 years' coaching / high performance sporting experience, comprising (a) 150 contact hours per year; and (b) 450 hours per year in planning, preparation, self-reflection and learning, and continuing professional development			
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	Online ¹	Minimum, see the website	Bachelor degree (or equivalent) in sports science or health and physical education				
				UQ Graduate Certificate in Sports Coaching				
1 year (16 units)	1 (19 Feb) 2 (22 July)	Online ¹	Minimum, see the website	Bachelor honours degree (or equivalent) sports science or health and physical education				

¹ - Graduate Certificate also available.

PROGRAM CODE 5725

MASTER OF SPORTS MEDICINE

Created specifically for general practitioners, this program will advance your knowledge and skills in sports medicine. Develop a comprehensive and interdisciplinary approach to prevention, treatment and management of sports injuries.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			APPLICATION CLOSING DATE
			ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	
1 year (16 units)	1 (19 Feb) 2 (22 July)	Online ¹	Minimum, see the website	Approved degree in medicine	Be registered as a medical practitioner in your country of practice and have completed a minimum of 2 years full-time (or equivalent) post-qualification clinical practice	Sem 1: 31 Jan (year of commencement) Sem 2: 30 Jun (year of commencement)

¹ - Graduate Certificate also available.

PROGRAM CODE 5420

Science and Mathematics

UQ researchers have developed the cervical cancer vaccine, the highly innovative Nanopatch and chip technology in MRI machines

Access more than **2300** laboratories, including specialist teaching and research labs

8 research centres in mathematics and physics

Mathematics

Dr Poh Wah Hillock

Australian University
Teacher of the Year 2023

World-class

UQ has one of the largest science faculties in Australia with some of the world's leading scientists, teachers, science programs and solutions to global problems. We focus on ground-breaking projects like the molecular characterisation of drug-resistant bacteria and finding better treatments for illness, solving conservation problems using mathematics and improving hydrogen bonding.

Student focused

Interact with expert research teams, use our world-class laboratories and contribute to making a positive impact on society and the environment. You will have opportunities to connect with industry and employers during professional placements or internships. This hands-on approach is why UQ graduates enjoy high employability rates and attractive starting salaries.

Our programs can lead to careers in:

- Archaeology
- Astrophysics
- Biochemistry
- Bioengineering
- Bioinformatics
- Biomedical science
- Biophysics
- Biotechnology
- Chemistry
- Ecology
- Entomology
- Environmental management
- Environmental science
- Food science and technology
- Food processing
- Food science and nutrition
- Food technology
- Genetics
- Geographical science
- Immunology
- Marine biology
- Marine science
- Mathematics
- Meteorology
- Microbiology
- Nanotechnology
- Neuroscience
- Pharmacology
- Physics
- Plant science
- Spatial science
- Statistics
- Vaccine science
- Veterinary science
- Zoology

MASTER OF BIOINFORMATICS

Capitalise on the expanding demand for bioinformaticians with an interdisciplinary skill-set that will make you employable anywhere in the world.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS	
			GPA	YOUR CURRENT QUALIFICATION
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Graduate Certificate or Graduate Diploma (or equivalent) in Bioinformatics
				Bachelor's degree in any discipline including 2 courses in any combination of computer science, biology or statistics
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor's degree (or equivalent) in science, information technology or engineering, including 2 courses in any combination of computer science, biology or statistics
1 year (16 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor honours degree (or equivalent) in science, information technology or engineering, with a major or minor (or equivalent volume of learning) in bioinformatics

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5755

MASTER OF BIOINFORMATICS RESEARCH EXTENSIVE

Capitalise on the expanding demand for bioinformaticians with an interdisciplinary skill-set and research expertise that will make you employable anywhere in the world.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS	
			GPA	YOUR CURRENT QUALIFICATION
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.5 on a 7-point scale	Bachelor's degree (or equivalent) in science, information technology or engineering, including 2 courses in any combination of computer science, biology or statistics
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.5 on a 7-point scale	Bachelor honours degree (or equivalent) in science, information technology or engineering, with a major or minor (or equivalent volume of learning) in bioinformatics

PROGRAM CODE 5598

MASTER OF BIOTECHNOLOGY

Equip yourself with advanced scientific skills and the business, legal and regulatory understanding needed to translate discoveries from the laboratory to real life.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS	
			GPA	YOUR CURRENT QUALIFICATION
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor's degree (or equivalent) in any discipline
				Graduate Certificate or Graduate Diploma (or equivalent) in Biotechnology
				Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor's degree (or equivalent) in biomedical science, biotechnology, science, bioinformatics, pharmacy or engineering
1 year (16 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor honours degree (or equivalent) in biomedical science, biotechnology, science, bioinformatics, pharmacy or engineering, including a minimum of one semester of full-time research (or equivalent)

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5599

MASTER OF BIOTECHNOLOGY RESEARCH EXTENSIVE

Increase your technical and research skills in core areas of biotechnology and obtain greater laboratory immersion all while developing business and workplace skills.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS	
			GPA	YOUR CURRENT QUALIFICATION
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor's degree (or equivalent) in biotechnology, science, bioinformatics, pharmacy or engineering
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor (Honours) degree (or equivalent) in biotechnology, science, bioinformatics, pharmacy or engineering, including a minimum of one semester of full-time research (or equivalent)

PROGRAM CODE 5627

MASTER OF FINANCIAL MATHEMATICS

Learn cutting-edge computational methodology, mathematical modelling and stochastic methods in finance to identify strategic investment or business opportunities, manage portfolios and price financial products.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS	
			GPA	YOUR CURRENT QUALIFICATION
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor's degree (or equivalent) in any discipline with first-year, university-level mathematics (including single-variable and multi-variable calculus, ordinary differential equations, and linear algebra)
				Graduate Diploma (or equivalent) in Financial Mathematics Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program
1.5 years (24 units)	1 (19 Feb)	St Lucia	5.0 on a 7-point scale	Bachelor's degree (or equivalent) majoring in mathematics, or Bachelor's degree (or equivalent) in mathematics

- Graduate Diploma also available.

PROGRAM CODE 5573

MASTER OF FOOD SCIENCE AND TECHNOLOGY

Make your mark in a global industry, equipped with the latest knowledge in food safety and quality management, food preservation, processing, chemistry and microbiology.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS	
			GPA	YOUR CURRENT QUALIFICATION
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	4.5 on a 7-point scale	Bachelor's degree (or equivalent) in any discipline, with first-year university-level chemistry or biology
				Graduate Certificate in Food Science and Technology Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program
1.5 years (24 units)	1 (19 Feb)	St Lucia	4.5 on a 7-point scale	Bachelor's degree in food science, food technology or food engineering

- Graduate Certificate also available.

PROGRAM CODE 5576

MASTER OF FOOD SCIENCE AND TECHNOLOGY RESEARCH EXTENSIVE

Create change in a global industry, equipped with advanced scientific skills and the latest knowledge in food safety and quality management, food preservation, processing, chemistry and microbiology.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			GPA	YOUR CURRENT QUALIFICATION	RELEVANT DISCIPLINES
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor's degree (or equivalent) in a relevant discipline	Food science, food technology and food engineering

PROGRAM CODE 5573

MASTER OF GEOGRAPHIC INFORMATION SCIENCE

Gain the geospatial data skills to advance your career in ecology, exploration, health, planning, maths, cartography, surveying, geography or environmental science.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			GPA	YOUR CURRENT QUALIFICATION	RELEVANT DISCIPLINES
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia, online	4.5 on a 7-point scale	Bachelor's degree (or equivalent) in any discipline	Science (mathematics, physics, computer science), environmental science, environmental management, geographical science, geology, surveying, geometrics and engineering
				Graduate Certificate or Graduate Diploma in Geographic Information Science Successful completion of at least 3 years of study towards an approved qualification at a partner institution with a formal pathway to this program	
1.5 years (24 units)	1 (19 Feb)	St Lucia, online	4.5 on a 7-point scale	Bachelor's degree (or equivalent) in a relevant discipline	

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5610

GRADUATE CERTIFICATE IN MAGNETIC RESONANCE AND POSITRON EMISSION TOMOGRAPHY

Advance your understanding of MRI methodology and safety, patient preparation and screening, common clinical indications and MRI protocols used when imaging various parts of the human body.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			RELEVANT DISCIPLINES
			GPA	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	
0.5 years (8 units)	1 (19 Feb) 2 (22 July)	St Lucia, online	4.0 on a 7-point scale	Bachelor's degree (or equivalent) in a relevant discipline	2 years of work experience in medical imaging, physics, or molecular imaging. Applications based on post-secondary study and/or work experience will be assessed individually	Mathematics, physics, chemistry, biology, medical imaging, medical radiation, radiography, allied health, biomedical engineering, engineering, or computer science
				Post-secondary study		

PROGRAM CODE 5654

MASTER OF MAGNETIC RESONANCE TECHNOLOGY

Gain an advanced understanding of the physics and technology surrounding magnetic resonance.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			RELEVANT DISCIPLINES
			GPA	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia, online	4.0 on a 7-point scale	Bachelor's degree (or equivalent) in a relevant discipline	Mathematics, physics, chemistry, biology, medical imaging, medical radiation, radiography, allied health, biomedical engineering, engineering, computer science	
				Graduate Diploma in Magnetic Resonance Technology		
				Graduate Certificate in Magnetic Resonance Technology		

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5193

MASTER OF MOLECULAR BIOLOGY

Acquire high-level knowledge and develop practical skills relevant to modern molecular biology research or industry practice.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			RELEVANT DISCIPLINES
			GPA	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor's degree (or equivalent) in any discipline, with first-year university-level chemistry and biology	Biotechnology, science, medicine, biomedical science, pharmacy, bioinformatics, genetics, molecular biology, biochemistry or biological chemistry	
				Graduate Certificate or Graduate Diploma in Molecular Biology		
				Completion of at least 3 years of study towards an approved qualification at a partner institution with a pathway to this program		
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor's degree (or equivalent) in a relevant discipline		
1 year (16 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor honours degree (or equivalent) in a relevant discipline		

- Graduate Certificate and Graduate Diploma also available.

PROGRAM CODE 5600

MASTER OF MOLECULAR BIOLOGY RESEARCH EXTENSIVE

Enhance your technical and research skills in core areas of molecular biology, protein technology and bioinformatics through a 2 or 3-semester laboratory immersion.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			RELEVANT DISCIPLINES
			GPA	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.5 on a 7-point scale	Bachelor's degree (or equivalent) in a relevant discipline	Biotechnology, science, medicine, biomedical science, pharmacy, bioinformatics, genetics, molecular biology, biochemistry, and biological chemistry	
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.5 on a 7-point scale	Bachelor honours degree (or equivalent) in a relevant discipline		

PROGRAM CODE 5625

MASTER OF MOLECULAR IMAGING TECHNOLOGY

Become an international leader in molecular imaging and contribute to the advancement of biomedicines.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			GPA	YOUR CURRENT QUALIFICATION	RELEVANT DISCIPLINES
1.5 years (24 units)	1 (19 Feb)	St Lucia, online	4.0 on a 7-point scale	Bachelor's degree (or equivalent) in a relevant discipline	Applied science, medical imaging, chemistry, pharmacy, physics, computer science or electrical and biomedical engineering

PROGRAM CODE 5692

MASTER OF QUANTITATIVE BIOLOGY

When biology meets big data. Master the use of programming, statistics, and mathematics to solve biological problems in areas as diverse as conservation, human health, and agriculture. Take advantage of intensive and/or flexible teaching modes.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS		
			GPA	YOUR CURRENT QUALIFICATION	
1.5 years — This program can be completed in accelerated mode. Students completing 32 units in accelerated mode could complete the program in 1.5 years.	1 1 (19 Feb) 2 (22 July)	St Lucia	4.5 on a 7-point scale	Bachelor's degree (or equivalent) in any discipline with first and second-year university-level biology or mathematics	Graduate Diploma (or equivalent) in Quantitative Biology
2 years — This program can be completed in accelerated mode. Students completing 24 units in accelerated mode could complete the program in one year.	1 (19 Feb) 2 (22 July)	St Lucia	4.5 on a 7-point scale	Bachelor's degree (or equivalent) in any field of biology and have completed university-level mathematics including biostatistics	Bachelor's degree (or equivalent) in mathematics and have completed first-year university-level biology
				Bachelor's degree (or equivalent) in a field of biology, plus at least two courses in mathematics, including biostatistics, or a bachelor's degree (or equivalent) in mathematics, plus at least two courses in biology, or Graduate Certificate in Quantitative Biology.	

- Graduate Diploma also available.

PROGRAM CODE 5716

MASTER OF QUANTUM TECHNOLOGY

Gain the skills to research and develop quantum technologies capable of changing the future of sensing, communications and computation. Work with a variety of platforms, including superconductors, ultra-cold atoms, micro-mechanical systems and photonics.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			GPA	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES
1.5 years (24 units)	2 (22 July)	St Lucia	5.5 on a 7-point scale	Bachelor's degree (or equivalent) in a relevant discipline	4 units (or equivalent) of first year university-level mathematics and calculus-based physics	Computer science, engineering, information technology, mathematics, chemistry or statistics

PROGRAM CODE 5711

MASTER OF SCIENCE

Extend your knowledge in your chosen field of mathematics, physics or statistics and capitalise on the growing demand for high-level scientific expertise. Apply your knowledge through research projects, industry placements or internships.

DURATION	START SEMESTER	CAMPUS	ADMISSION REQUIREMENTS			
			GPA	YOUR CURRENT QUALIFICATION		
2 years (32 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Applied Mathematics, Mathematics, and Statistics fields: Bachelor's degree (or equivalent) in any discipline, with first-year university-level mathematics (including calculus, multi-variable calculus, linear algebra, and ordinary differential equations)	Graduate Diploma in Science	
				Physics field: Bachelor's degree (or equivalent) in any discipline, with first-year university level physics (including mechanics, thermal physics, electromagnetism, and modern physics) and first-year university-level mathematics (including calculus, multi-variable calculus, linear algebra, and ordinary differential equations)		
1.5 years (24 units)	1 (19 Feb) 2 (22 July)	St Lucia	5.0 on a 7-point scale	Bachelor's degree (or equivalent) in mathematics, statistics, or physics		

- Graduate Diploma also available.

PROGRAM CODE 5712

“This program gave me a deeper understanding of the commercial aspects of the production sector. I learnt from the industry professionals who are highly regarded in their field and found the opportunity to apply the theory that I learnt in the classroom into the real-world business contexts.”

Norman Rieder

Master of Agribusiness, graduate

Fees are indicative only and correct at time of publication. Please refer to page 24 for information on Commonwealth Supported Places.

PROGRAM TITLE — MASTER OF (UNLESS OTHERWISE STATED)	MAXIMUM DURATION (YEARS)	START SEMESTER	PROGRAM CODE	2024 FEE (YEAR 1) [^]	SEE PAGE
